14 ~~F.~~ G. If after completing its initial investigation under subsection  
15 A of this section the board determines that rehabilitative or disciplinary  
16 action can be taken without the presence of the licensee at an informal  
17 interview, the board and the licensee may enter into a stipulated agreement  
18 to limit or restrict the licensee's practice or to rehabilitate the licensee,  
19 protect the public and ensure the licensee's ability to safely engage in the  
20 practice of homeopathic medicine.

21 ~~G.~~ H. If after completing its investigation the board believes that  
22 this information is or may be true, the board may request an informal  
23 interview with the licensee. If the licensee refuses the invitation or  
24 accepts the invitation and the results of the interview indicate that  
25 suspension or revocation of the license may be in order, the board shall  
26 issue a formal complaint and conduct a formal hearing pursuant to title 41,  
27 chapter 6, article 10. If after completing the informal interview the board  
28 finds that the information provided under subsection A of this section is not  
29 of sufficient seriousness to merit suspension or revocation of the license,  
30 it may take the following actions:

31 1. Dismiss if, in the opinion of the board, the information is without  
32 merit.

33 2. File a letter of concern.

34 3. Issue a decree of censure. A decree of censure constitutes an  
35 official action against the license and may include a requirement for  
36 restitution of fees to a patient resulting from violations of this chapter or  
37 board rules.

38 4. Fix a period and terms of probation best adapted to protect the  
39 public health and safety and rehabilitate or educate the licensee. The  
40 probation, if deemed necessary, may include temporary suspension of the  
41 license for not to exceed twelve months, restriction of the license to  
42 practice homeopathic medicine or a requirement for restitution of fees to a  
43 patient resulting from violations of this chapter or board rules. If a  
44 licensee fails to comply with the terms of probation, the board may file a  
45 summons, complaint and notice of hearing pursuant to title 41, chapter 6,

1 article 10 based on the information considered by the board at the informal  
2 interview and any other acts or conduct alleged to be in violation of this  
3 chapter or board rules.

4 5. Enter into an agreement with the licensee to restrict or limit the  
5 licensee's practice or medical activities in order to rehabilitate the  
6 licensee, protect the public and ensure the licensee's ability to safely  
7 engage in the practice of homeopathic medicine.

8 6. Issue a nondisciplinary order requiring the licensee to complete a  
9 prescribed number of hours of continuing education in an area or areas  
10 prescribed by the board to provide the licensee with the necessary  
11 understanding of current developments, skills, procedures or treatment.

12 ~~H.~~ I. In an informal interview or a formal hearing the board, in  
13 addition to any other action that it may take, may impose an administrative  
14 penalty in an amount of not less than five hundred dollars but not to exceed  
15 two thousand dollars on a licensee who violates this chapter or a board rule.  
16 Actions to enforce the collection of these penalties shall be brought in the  
17 name of this state by the attorney general or the county attorney in the  
18 justice court or the superior court in the county in which the violation  
19 occurred. Penalties imposed under this section are in addition to and not in  
20 limitation of other penalties imposed pursuant to this chapter.

21 ~~I.~~ J. If in the opinion of the board it appears that the allegations  
22 concerning a licensee are of a magnitude as to warrant suspension or  
23 revocation of the license, the board shall serve on the licensee a summons  
24 and a complaint fully setting forth the conduct or inability concerned and  
25 setting a date, time and place for a hearing pursuant to title 41, chapter 6,  
26 article 10 to be held before the board in not less than sixty days from the  
27 date of the notice.

28 ~~J.~~ K. A licensee who wishes to be present at the hearing in person or  
29 by representation, or both, shall file a verified answer with the board  
30 within twenty days after receiving service of the summons and complaint. The  
31 licensee may present witnesses at this hearing. **A LICENSEE WHO HAS BEEN  
32 NOTIFIED OF A COMPLAINT PURSUANT TO THIS SECTION SHALL FILE WITH THE BOARD A  
33 WRITTEN RESPONSE NOT MORE THAN TWENTY DAYS AFTER SERVICE OF THE COMPLAINT AND  
34 THE NOTICE OF HEARING. IF THE LICENSEE FAILS TO FILE AN ANSWER IN WRITING,  
35 IT IS DEEMED AN ADMISSION OF THE ACT OR ACTS CHARGED IN THE COMPLAINT AND  
36 NOTICE OF HEARING AND THE BOARD MAY TAKE DISCIPLINARY ACTION PURSUANT TO THIS  
37 CHAPTER WITHOUT A HEARING.**

38 ~~K.~~ L. The board shall issue subpoenas for witnesses as it may need  
39 and for witnesses as the licensee may request. Any person refusing to obey a  
40 subpoena shall be certified by the board to the superior court in the county  
41 in which service was made, and the court may institute proceedings for  
42 contempt of court.

43 ~~L.~~ M. Service of the summons and complaint shall be as required in  
44 civil cases.

1 ~~M.~~ N. Service of subpoenas for witnesses shall be as provided by law  
2 for the service of subpoenas generally.

3 ~~N.~~ O. A licensee who after a hearing is found to be guilty of  
4 unprofessional conduct or is found to be mentally or physically unable to  
5 engage safely in the practice of homeopathic medicine is subject to any  
6 combination of censure, probation or suspension of license or revocation of  
7 the license for a prescribed period of time or permanently and under  
8 conditions that the board deems appropriate for the protection of the public  
9 health and safety and just in the circumstances.

11 privileges, it shall immediately notify the Arizona state board of pharmacy
