(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Section 4-206.01, Arizona Revised Statutes, is amended to
3 read:

4 4-206.01. Bar, beer and wine bar or liquor store licenses;
5 number permitted; fee; sampling privileges

6 A. The director shall determine the total number of spirituous liquor
7 licenses by type and in each county. The director shall publish a listing of
8 that information as determined by the director.

9 B. In each county, the director, each year, shall issue additional
10 bar, beer and wine bar or liquor store licenses at the rate of one of each
11 type for each additional ten thousand person increase over the population in
12 that county as of July 1, 2010. Any licenses that have been revoked or
13 reverted in any county after July 1, 2014 may be reissued by the director in
14 the county of their issuance. The director may waive the issuance of any
15 series of new, revoked or reverted licenses in a county for one year where
16 there has been no request made to the department for the issuance of a new
17 license of that series. For the purposes of this subsection, the population
18 of a county is deemed to be the population estimated by the ~~office of~~
19 ~~employment and population statistics within the Arizona department of~~
20 ~~administration~~ OFFICE OF ECONOMIC OPPORTUNITY as of July 1 of each year.

21 C. A person issued a license authorized by subsection B of this
22 section shall pay an additional issuance fee equal to the license's fair
23 market value that shall be paid to the state general fund. The fair market
24 value shall be defined to mean the mean value of licenses of the same type
25 sold on the open market in the same county during the prior twelve months,
26 but if there are not three or more sales then the fair market value shall be
27 determined by two appraisals furnished to the department by independent
28 professional appraisers employed by the director.

29 D. The director shall employ professional appraisal services to
30 determine the fair market value of bar, beer and wine bar or liquor store
31 licenses.

32 E. If more than one person applies for an available license, a
33 priority of applicants shall be determined by a random selection method
34 prescribed by the director.

35 F. After January 1, 2011, bar licenses and beer and wine bar licenses
36 shall be issued and used only if the clear primary purpose and actual primary
37 use is for on-sale retailer privileges. The off-sale privileges associated
38 with a bar license and a beer and wine bar license shall be limited to use,
39 which is clearly auxiliary to the active primary on-sale privilege. A bar
40 license or a beer and wine bar license shall not be issued or used if the
41 associated off-sale use, by total retail spirituous liquor sales, exceeds
42 thirty ~~per cent~~ PERCENT of the sales price of on-sale spirituous liquors by
43 the licensee at that location. For dual licenses issued pursuant to a single
44 site or where a second license is issued to a site that already has a
45 spirituous liquor license, other than settlement licenses issued as provided
46 by law, the applicant shall have the burden of establishing that public

1 convenience and the best interest of the community will be served by the
2 issuance of the license.

3 G. The director may issue a beer and wine store license to the holder
4 of a beer and wine bar license simultaneously at the same premises. An
5 applicant for a beer and wine bar license and a beer and wine store license
6 may consolidate the application and may apply for both licenses at the same
7 time. The holder of each license shall fully comply with all applicable
8 provisions of this title. A beer and wine bar license and beer and wine
9 store license on the same premises shall be owned by and issued to the same
10 licensee.

11 H. The director may issue a beer and wine bar license to the holder of
12 a liquor store license issued simultaneously at the same premises. An
13 applicant for a liquor store license and a beer and wine bar license may
14 consolidate the application and may apply for both licenses at the same time.
15 The holder of each license shall fully comply with all applicable provisions
16 of this title. A liquor store license and a beer and wine bar license on the
17 same premises shall be owned by and issued to the same licensee.

18 I. The director may issue a restaurant license to the holder of a beer
19 and wine bar license issued simultaneously at the same premises. An
20 applicant for a restaurant license and a beer and wine bar license may
21 consolidate the application and may apply for both licenses at the same time.
22 The holder of each license shall fully comply with all applicable provisions
23 of this title. A restaurant license and a beer and wine bar license on the
24 same premises shall be owned by and issued to the same licensee. The
25 limitation set forth in subsection F of this section with respect to the
26 off-sale privileges of the beer and wine bar licenses shall be measured
27 against the on-sales of beer and wine sales of the establishment. For the
28 purposes of compliance with section 4-205.02, subsection H, paragraph 2, it
29 shall be conclusively presumed that all on premises sales of spirituous
30 liquors are made under the authority of the restaurant license.

31 J. An applicant for a liquor store license or a beer and wine store
32 license and the licensee of a liquor store license or a beer and wine store
33 license may apply for sampling privileges associated with the license. Beer
34 and wine store premises shall contain at least five thousand square feet in
35 order to be eligible for sampling privileges. A person desiring a sampling
36 privilege associated with a liquor store license shall apply to the director
37 on a form prescribed and furnished by the director. The application for
38 sampling privileges may be filed for an existing license or may be submitted
39 with an initial license application. The request for sampling approval, the
40 review of the application and the issuance of approval shall be conducted
41 under the same procedures for the issuance of a spirituous liquor license
42 prescribed in section 4-201. After a sampling privilege has been issued for
43 a liquor store license or a beer and wine store license, the sampling
44 privilege shall be noted on the license itself and in the records of the
45 department. The sampling rights associated with a license are not
46 transferable. The director may charge a fee for processing the application

1 for sampling privileges and a renewal fee as provided in this section. A
2 city or town shall not charge any fee relating to the issuance or renewal of
3 a sampling privilege. Notwithstanding section 4-244, paragraph 19, a liquor
4 store licensee or a beer and wine store licensee that holds a license with
5 sampling privileges may provide spirituous liquor sampling subject to the
6 following requirements:

7 1. Any open product shall be kept locked by the licensee when the
8 sampling area is not staffed.

9 2. The licensee is otherwise subject to all other provisions of this
10 title. The licensee is liable for any violation of this title committed in
11 connection with the sampling.

12 3. The licensed retailer shall make sales of sampled products from the
13 licensed retail premises.

14 4. The licensee shall not charge any customer for the sampling of any
15 products.

16 5. The sampling shall be conducted under the supervision of an
17 employee of a sponsoring distiller, vintner, brewer, wholesaler or retail
18 licensee.

19 6. Accurate records of sampling products dispensed shall be retained
20 by the licensee.

21 7. Sampling shall be limited to three ounces of beer or cooler-type
22 products, one and one-half ounces of wine and one ounce of distilled spirits
23 per person, per brand, per day.

24 8. The sampling shall be conducted only on the licensed premises.

25 K. If a beer and wine bar license and a beer and wine store license
26 are issued at the same premises, for the purposes of reporting liquor
27 purchases under each license, all spirituous beverages purchased for sampling
28 are conclusively presumed to be purchased under the beer and wine bar license
29 and all spirituous liquor sold off-sale are conclusively presumed to be
30 purchased under the beer and wine store license.

31 L. The director may issue a beer and wine store license to the holder
32 of a bar license simultaneously at the same premises. An applicant for a
33 beer and wine store license and a bar license may consolidate the application
34 and may apply for both licenses at the same time. The holder of each license
35 shall fully comply with all applicable provisions of this title. A beer and
36 wine store license and a bar license on the same premises shall be owned by
37 and issued to the same licensee. If a beer and wine store license and a bar
38 license are issued at the same premises, for purposes of reporting liquor
39 purchases under each license, all off-sale beer and wine sales are
40 conclusively presumed to be purchased under the beer and wine store license.

1 Sec. 2. Section 11-211, Arizona Revised Statutes, is amended to read:
2 11-211. Membership; qualifications; term

3 A. There shall be in each county having a population of one hundred
4 seventy-five thousand or more persons a board of supervisors consisting of
5 five members who shall be qualified electors of their supervisorial district,
6 and who shall be elected at a general election at which the president of the
7 United States is elected. In each county having a population of less than
8 one hundred seventy-five thousand persons, a board of supervisors shall
9 consist of three members, except as prescribed by subsection B or C of this
10 section, who shall be qualified electors of their supervisorial district and
11 who shall be elected at a general election at which the president of the
12 United States is elected. They shall enter on their duties on January 1
13 subsequent to their election, and shall hold office for four years. No
14 person holding any other county or precinct office is eligible to the office
15 of supervisor.

16 B. Any county having a population of less than one hundred fifty
17 thousand persons but more than one hundred thousand persons shall call an
18 election to change from a three-member to a five-member board of supervisors,
19 or from a five-member to a three-member board of supervisors, on receipt by
20 the board of supervisors of a petition containing signatures of qualified
21 electors equal to at least ten ~~per-cent~~ PERCENT of the votes cast in the
22 county at the preceding general election at which a president of the United
23 States was elected. The board shall submit to the electors in the county, at
24 a special election called for that purpose, the question whether or not the
25 county shall elect five members or three members to the board of supervisors.
26 The election shall be held before the first Monday in January preceding the
27 next general election. The ballots shall contain the words: "Five
28 supervisors, yes. Five supervisors, no." or "Three supervisors, yes. Three
29 supervisors, no." If the majority of the qualified electors voting on the
30 question votes in the affirmative, the board of supervisors shall redistrict
31 the county in accordance with section 11-212. The county shall thereafter
32 elect the prescribed number of members to the board of supervisors who shall
33 be elected in the manner provided in subsection A of this section and have
34 the same qualifications as provided in subsection A of this section for a
35 board of supervisors with a population of one hundred seventy-five thousand
36 or more persons, and shall hold office for a term of four years to commence
37 on January 1.

38 C. Any county having a population of at least one hundred fifty
39 thousand persons but not more than one hundred seventy-five thousand persons
40 and having a county board of supervisors that consists of three persons shall
41 submit to the electors in the county, at the next general election after the
42 release of the population estimate from the ~~office of employment and~~
43 ~~population statistics~~ OFFICE OF ECONOMIC OPPORTUNITY, the question of whether
44 the county shall elect five members to the board of supervisors. The ballots
45 must contain the words: "Five supervisors, yes. Five supervisors, no." If
46 approved by a majority of the qualified electors of that county who voted on

1 the question, the board of supervisors shall redistrict the county pursuant
2 to section 11-212. The county thereafter shall elect at the next general
3 election immediately following the election at which the question is approved
4 the prescribed number of members to the board of supervisors who shall have
5 the same qualifications as provided in subsection A of this section. The
6 following apply to the election for the county board of supervisors
7 prescribed in this subsection:

8 1. If the next general election immediately following the election at
9 which the question is approved is held in a year that is the last year of the
10 four-year term of the three members of the county board of supervisors who
11 are already holding office, the five persons elected to the county board of
12 supervisors hold office for a term of four years to commence on January 1
13 immediately following their election.

14 2. If the next general election immediately following the election at
15 which the question is approved is held in a year that is not the last year of
16 the four-year term of the three members of the county board of supervisors
17 who are already holding office, the two additional persons elected to the
18 county board of supervisors hold office for a term of four years to commence
19 on January 1 immediately following their election. The three members of the
20 county board of supervisors who are already holding office continue to serve
21 their four-year terms of office without regard to whether they are residents
22 of the newly redrawn supervisorial districts for the remainder of those
23 four-year terms. Thereafter, members of the board of supervisors must be
24 residents of their supervisorial district and the term of office for members
25 of that county board of supervisors shall be staggered four-year terms.

26 3. For the election at which the question of whether the county shall
27 elect five members to the board of supervisors is on the ballot, the county
28 shall include in the publicity pamphlet an estimate of the cost to the county
29 for each additional member to the board of supervisors.

30 4. For the purposes of this subsection, "population" means the
31 population according to the annual population estimate provided by the ~~office~~
32 ~~of employment and population statistics~~ OFFICE OF ECONOMIC OPPORTUNITY.

33 Sec. 3. Section 11-292, Arizona Revised Statutes, is amended to read:

34 11-292. Medical care: definition

35 A. The board of supervisors, subject to the applicable provisions of
36 title 42, chapter 17, articles 2 and 3, shall include in its annual budget an
37 amount equal to fifty ~~per cent~~ PERCENT of the amount budgeted by the county
38 board of supervisors or the amount expended, whichever is less, for the
39 hospitalization and medical care of the indigent sick pursuant to this
40 article for fiscal year 1980-1981, except for Yuma and La Paz counties. The
41 contribution amounts of those counties shall be equal to the amount Yuma
42 county would have made pursuant to this subsection if a division had not
43 occurred apportioned between the counties. The office of the auditor general
44 shall determine the amount Yuma county would otherwise have included if a
45 division had not occurred and shall then determine the contribution amounts

1 of Yuma and La Paz counties based on the proportionate share of the estimated
2 population in these counties as of July 1, 1982.

3 B. For fiscal year 1994-1995, and for each fiscal year thereafter, the
4 state treasurer shall withhold an amount sufficient to meet the county
5 portion of the nonfederal costs of providing long-term care system services,
6 pursuant to title 36, chapter 29, article 2, excluding services to persons
7 with developmental disabilities, from monies otherwise payable to the county
8 under section 42-5029, subsection D, paragraph 2. This amount and the state
9 portion of the nonfederal costs shall be specified in the annual
10 appropriation for the maintenance and operation of the Arizona health care
11 cost containment system. For fiscal years 1994-1995, 1995-1996 and
12 1996-1997, monies shall be withheld from each county based on the following
13 percentages derived from a state auditor general's certified audit of fiscal
14 year 1987-1988 county long-term care and home health care expenditures,
15 except that amounts withheld shall be adjusted to reflect amounts paid by
16 counties pursuant to section 36-2952:

17	1. Apache:	0.22%
18	2. Cochise:	2.49%
19	3. Coconino:	0.66%
20	4. Gila:	2.56%
21	5. Graham:	0.64%
22	6. Greenlee:	0.34%
23	7. La Paz:	0.34%
24	8. Maricopa:	56.55%
25	9. Mohave:	2.73%
26	10. Navajo:	0.91%
27	11. Pima:	20.55%
28	12. Pinal:	5.09%
29	13. Santa Cruz:	1.05%
30	14. Yavapai:	3.12%
31	15. Yuma:	2.75%

32 C. In each fiscal year, of the total amount that is specified in the
33 annual appropriation as the nonfederal portion of the cost of providing
34 long-term care services and that portion of the phased-down medicare
35 prescription drug state contribution attributable to the Arizona long-term
36 care system, excluding services and phased-down medicare prescription drug
37 state contribution costs associated with persons with developmental
38 disabilities, and that represents an increase from the amount that was
39 specified in the annual appropriation for the prior fiscal year, the state
40 shall pay fifty ~~per cent~~ PERCENT of the increase. The remaining nonfederal
41 portion of the costs shall be apportioned among the counties according to the
42 proportion that each county's net nonfederal expenditures for long-term care
43 services, excluding services to persons with developmental disabilities,
44 bears to the total nonfederal expenditure for all counties two fiscal years
45 earlier, with the following adjustments in the following order:

1 1. If the resulting net county contribution when expressed as an
2 imputed property tax rate per one hundred dollars of net assessed value
3 exceeds ninety cents, the county's contribution shall be reduced so that the
4 imputed property tax rate equals ninety cents and the difference shall be
5 paid by the state.

6 2. Any county with a native American population that represents at
7 least twenty ~~per-cent~~ PERCENT of the county's total population according to
8 the most recent United States decennial census shall contribute an amount
9 equal to the prior fiscal year's contribution plus fifty ~~per-cent~~ PERCENT of
10 the difference between the prior year's contribution were it calculated using
11 the percentage in subsection B of this section and the current year's
12 contribution as if its share of the total nonfederal portion of the long-term
13 care costs had been calculated using the percentage prescribed in subsection
14 B of this section and the state shall pay any difference from the amount
15 otherwise required by this subsection.

16 3. If, after making the adjustments in this subsection, a county would
17 contribute more than if its contribution were calculated using the percentage
18 prescribed in subsection B of this section multiplied by the total nonfederal
19 costs of long-term care services, excluding services to persons with
20 developmental disabilities, the county's contribution shall be reduced to the
21 sum of its prior year's contribution plus fifty ~~per-cent~~ PERCENT of the
22 difference between the prior year's contribution were it calculated using the
23 percentage in subsection B of this section and the current year's
24 contribution as if its share of the total nonfederal portion of long-term
25 care costs had been calculated using the percentage prescribed in subsection
26 B of this section and the state shall pay any difference from the amount
27 otherwise required by this subsection.

28 4. After making all of the adjustments in this subsection, a statewide
29 per capita county contribution shall be calculated by summing the
30 contributions for all counties and then dividing the resulting total by the
31 total state population. If an individual county's contribution when
32 expressed as a per capita contribution exceeds the statewide per capita
33 county contribution, the county's contribution shall be reduced so that the
34 county's contribution equals the statewide per capita contribution and the
35 difference shall be paid by the state. For the purposes of this paragraph,
36 "population" means the population estimate approved by the ~~office-of~~
37 ~~employment-and-population-statistics~~ OFFICE OF ECONOMIC OPPORTUNITY for the
38 most recent fiscal year.

39 D. The director of the Arizona health care cost containment system
40 administration shall notify each county of the amount determined pursuant to
41 subsection A of this section to be included in its annual budget no later
42 than May 1 of each year.

43 E. If a county does not provide funding as specified in subsection A
44 of this section, the state treasurer shall subtract the amount owed to the
45 Arizona health care cost containment system fund by the county from any
46 payments required to be made by the state treasurer to that county pursuant

1 to section 42-5029, subsection D, paragraph 2, plus interest on that amount
2 pursuant to section 44-1201 retroactive to the first day the funding was
3 due. If the monies the state treasurer withholds are insufficient to meet
4 that county's funding requirement as specified in subsection A of this
5 section, the state treasurer shall withhold from any other monies payable to
6 that county from whatever state funding source is available an amount
7 necessary to fulfill that county's requirement. The state treasurer shall
8 not withhold distributions from the highway user revenue fund pursuant to
9 title 28, chapter 18, article 2.

10 F. Each month payment of an amount equal to one-twelfth of the total
11 amount determined pursuant to subsection A of this section shall be made to
12 the state treasurer. Payment of this amount shall be made to the state
13 treasurer on or before the fifth day of each month. Upon request from the
14 director of the Arizona health care cost containment system administration,
15 the state treasurer shall require that up to three months' payments be made
16 in advance, if necessary.

17 G. The state treasurer shall deposit the amounts paid pursuant to
18 subsection F of this section and amounts withheld pursuant to subsection E of
19 this section in the Arizona health care cost containment system fund
20 established by section 36-2913.

21 H. If payments made pursuant to subsection F of this section exceed
22 the amount required to meet the costs incurred by the Arizona health care
23 cost containment system for the hospitalization and medical care of a person
24 who is defined as an eligible person pursuant to section 36-2901, paragraph
25 6, subdivision (a), the director of the Arizona health care cost containment
26 system administration may instruct the state treasurer either to reduce
27 remaining payments to be paid pursuant to this section by a specified amount
28 or to provide to the counties specified amounts from the Arizona health care
29 cost containment system fund.

30 I. The amount of the county contribution to the Arizona health care
31 cost containment system fund established by section 36-2913 shall not exceed
32 thirty-three ~~per-cent~~ PERCENT of the amount that the system administration
33 expended in the county for fiscal year 1983-1984. For the purposes of this
34 subsection, system administration expenditures in a county for fiscal year
35 1983-1984 are the total capitation and fee for service amounts paid by the
36 system administration to providers in a county before February 1, 1986 for
37 services rendered during fiscal year 1983-1984 to persons eligible for the
38 system.

39 J. The state treasurer shall deposit the monies withheld from the
40 counties and contributed by the state pursuant to subsection B of this
41 section in the long-term care system fund established by section 36-2913, in
42 twelve equal monthly installments. The monthly installments shall be
43 deposited in the fund by the state treasurer by the fourth working day of
44 each month.

45 K. By July 1 or within sixty days after enactment of the annual
46 appropriation for the maintenance and operation of the Arizona health care

1 cost containment system, whichever is later, and after consulting with the
2 joint legislative budget committee and the governor's office of strategic
3 planning and budgeting, the state treasurer shall notify each county of the
4 amount to be withheld pursuant to subsection B of this section.

5 L. If the monies deposited in the long-term care system fund pursuant
6 to subsection J of this section are insufficient to meet the funding
7 requirement as specified in the annual appropriation for the maintenance and
8 operation of the Arizona health care cost containment system pursuant to
9 subsection B of this section, the state treasurer shall withhold from any
10 other monies payable to that county from any available state funding source,
11 other than the highway user revenue fund, the amount required to fulfill
12 fifty ~~per-cent~~ PERCENT of the funding requirement and shall deposit the
13 monies in the long-term care system fund. The state shall pay the remaining
14 fifty ~~per-cent~~ PERCENT of the funding requirement.

15 M. If any monies in the funds for the purpose of title 36, chapter 29,
16 article 2 remain unexpended at the end of the fiscal year, the director of
17 the Arizona health care cost containment system administration shall specify
18 to the state treasurer the amount to be withdrawn from the long-term care
19 system fund. Of the amount specified, the state treasurer shall distribute
20 fifty ~~per-cent~~ PERCENT to the counties pursuant to subsection B or C of this
21 section. The remaining fifty ~~per-cent~~ PERCENT shall be distributed to the
22 state.

23 N. The board of supervisors of a county that is a program contractor
24 pursuant to section 36-2940 shall include in its annual budget, subject to
25 title 42, chapter 17, articles 2 and 3, monies received from the Arizona
26 health care cost containment system fund and long-term care system fund for
27 the purposes of title 36, chapter 29, article 2.

28 O. Notwithstanding any law to the contrary, beginning in fiscal year

38 Sec. 30. Section 35-913, Arizona Revised Statutes, is amended
39 effective from and after December 31, 2016, to read:

42 A. This section governs allocations of the state ceiling made by the
43 ~~chief executive officer~~ DIRECTOR pursuant to section 35-902, subsection C.

44 B. If the portion of a corporation's allocation computed pursuant to
45 subsection C of this section is less than ten million dollars, the ~~chief~~
46 ~~executive officer~~ DIRECTOR shall first award ten million dollars of the state

1 allocation to that corporation. Thereafter, the ~~chief executive officer~~
2 DIRECTOR shall award the remaining state allocation in the same proportion
3 that the population of each of the remaining corporations' jurisdictions
4 bears to the population of this state according to the census, minus the
5 population of the corporations receiving a ten million dollar allocation
6 pursuant to this subsection.

7 C. Each corporation that is described in section 35-706, subsection E
8 and that submits a request for allocation pursuant to section 35-902,
9 subsection C shall receive a portion of the allocation made by the ~~chief~~
10 ~~executive officer~~ DIRECTOR in the same proportion that the population of that
11 corporation's jurisdiction bears to the population of this state, according
12 to the census but in no event less than ten million dollars.

13 D. At any time before submitting a formal request for allocation, but
14 no later than January 31, a corporation described in section 35-706,
15 subsection E may submit to the director ~~of the Arizona department of housing~~
16 an allocation reservation for an amount not to exceed that portion of the
17 allocation to which the corporation is entitled pursuant to this subsection.
18 The allocation reservation may include an offer to use additional allocation
19 amounts described in subsection E of this section for rural areas. On or
20 before January 31, the Arizona ~~housing-finance~~ INDUSTRIAL DEVELOPMENT
21 authority may submit to the director an allocation reservation for the
22 amounts described in subsection E of this section for rural areas. The
23 allocation reservation does not constitute a formal request for allocation
24 and does not obligate the Arizona ~~housing-finance~~ INDUSTRIAL DEVELOPMENT
25 authority or a corporation to submit a request for allocation.

26 E. The director ~~of the Arizona department of housing~~ shall require
27 that one or more qualified mortgage revenue bond or qualified mortgage credit
28 certificate programs benefit the residents of rural areas. Between February
29 1 and March 1, an allocation of the unreserved portion of the state ceiling
30 under section 35-902, subsection C shall be made by the director for this
31 purpose. The recipient of this allocation shall be the Arizona ~~housing~~
32 ~~finance~~ INDUSTRIAL DEVELOPMENT authority, or the Arizona ~~housing-finance~~
33 INDUSTRIAL DEVELOPMENT authority and one or more corporations, or one or more
34 corporations that have executed a cooperative agreement and that have jointly

36 The director shall determine the recipient of the allocation described in
37 this subsection by March 1 from the Arizona ~~housing-finance~~ INDUSTRIAL
38 DEVELOPMENT authority or one or more of those corporations that have offered
39 to use the allocation described in this subsection in an allocation
40 reservation submitted before February 1. If neither the Arizona ~~housing~~
41 ~~finance~~ INDUSTRIAL DEVELOPMENT authority nor any corporation offers an
42 allocation reservation to use this allocation before February 1 the director
43 shall select the Arizona ~~housing-finance~~ INDUSTRIAL DEVELOPMENT authority or
44 a corporation for that purpose.

45 F. If the director ~~of the Arizona department of housing~~ selects the
46 Arizona ~~housing-finance~~ INDUSTRIAL DEVELOPMENT authority, or the Arizona

1 ~~housing-finance~~ INDUSTRIAL DEVELOPMENT authority and one or more corporations
2 or one or more corporations to serve rural areas, the Arizona ~~housing-finance~~
3 INDUSTRIAL DEVELOPMENT authority, the Arizona ~~housing-finance~~ INDUSTRIAL
4 DEVELOPMENT authority and one or more corporations or the corporation or
5 corporations shall receive confirmation of the allocation described in
6 subsection E of this section before March 1. Mortgage credit certificates or
7 the proceeds of qualified mortgage revenue bonds made available through the
8 portion of the state ceiling allocated pursuant to subsection E of this
9 section shall be reserved for at least a ~~one-hundred-eighty-day~~
10 ONE-HUNDRED-EIGHTY-DAY period exclusively for the financing of single family
11 dwelling units in rural areas. The director may extend the ~~one-hundred~~
12 ~~eighty-day~~ ONE-HUNDRED-EIGHTY-DAY period at the time of allocation or a later
13 time based on market conditions. The director at any time may modify any
14 extension based on market conditions at the time. After the ~~one-hundred~~
15 ~~eighty-day~~ ONE-HUNDRED-EIGHTY-DAY period or any extension, whichever is
16 later, the director may allocate any reservation that has not been used for
17 use within the jurisdiction of any corporation that is described in section
18 35-706, subsection E and that gives its consent.

19 G. The validity of a confirmation for qualified mortgage revenue bonds
20 or a qualified mortgage credit certificate program to benefit residents of
21 part of the state shall not be affected by reason of qualified mortgage
22 revenue bonds or a qualified mortgage credit certificate program receiving a
23 confirmation to benefit residents of another part of the state not being
24 issued.

25 H. Except as provided in subsections F and G of this section, a
26 corporation shall not exercise the powers granted under section 35-706,
27 subsection A, paragraphs 11, 12 and 13 outside of its own jurisdiction.

28 I. At the time a confirmation is issued the director ~~of the Arizona~~
29 ~~department-of-housing~~ shall determine in writing the allocation amounts in
30 the manner described in this section. In determining the recipient or
31 recipients for the allocation described in subsection E of this section, the
32 director may consider the effectiveness of alternative program structures in
33 rural areas. No action may be brought questioning the accuracy of any
34 determination made by the director pursuant to this section without a finding
35 of the director's bad faith or wilful misconduct.

36 J. Confirmations of the state ceiling under section 35-902, subsection
37 C may be applied toward a qualified mortgage revenue bond program or
38 qualified mortgage credit certificate program in any combination deemed
39 appropriate by the issuing corporation with the approval of its governing
40 body or by the board of the Arizona ~~housing-finance~~ INDUSTRIAL DEVELOPMENT
41 authority for a program for rural areas established by the Arizona ~~housing~~
42 ~~finance~~ INDUSTRIAL DEVELOPMENT authority.

43 K. Denial of approval of the use of qualified mortgage revenue bond
44 proceeds or qualified mortgage credit certificates in a city or town pursuant
45 to section 35-706 or subsection L of this section does not affect the

1 validity of the allocation or affect the amount of state allocation that is
2 allocated for that purpose.

3 L. The Arizona ~~housing-finance~~ INDUSTRIAL DEVELOPMENT authority may
4 not permit proceeds of bonds or a qualified mortgage credit certificate
5 program in rural areas to be used to finance projects that are owner-occupied
6 single family dwelling units within the corporate limits of an incorporated
7 city or town, the unincorporated area of a county or a reservation for an
8 Indian tribe, unless the governing body of the city, town, county or tribe
9 has approved the general location and character of the residences to be
10 financed. Before the issuance of bonds or mortgage credit certificates for
11 that purpose, the authority shall give written notice to the governing body
12 of each city, town, county or tribal reservation in which it intends to
13 permit proceeds of an issue of bonds or mortgage credit certificates to be
14 used to finance projects that are owner-occupied single family dwelling units
15 and of the general location and character of the residences that may be
16 financed. The governing body of the city, town, county or tribe is deemed to
17 have given its approval unless it denies approval by formal action of the
18 governing body within twenty-one days after receiving the written notice from
19 the authority. Approvals given or deemed to have been given with respect to
20 use of proceeds of an issue of bonds or mortgage credit certificates under
21 this subsection may not be withdrawn. Denials may be withdrawn by the
22 governing body of a city, town, county or tribe and approval may be given
23 after a denial is withdrawn if the authority approves the withdrawal of the
24 denial.

25 M. For the purposes of this section:

26 1. "Census" means the most recent United States decennial census or

34 35-706, subsection E and that submits a request for allocation pursuant to
35 section 35-902, subsection C.

36 ~~4.~~ 3. "Rural areas" means all of the area of this state that is not
37 located within the jurisdiction of a corporation described in section 35-706,

34 G. If the rule relies on scientific principles or methods, including a

38 including extensions.

39 2. Must be claimed in five equal installments as provided by section
40 43-1083.03 or 43-1164.04.

41 H. The authority shall establish a process for qualifying and
42 preapproving applicants for the income tax credits. The authority shall not
43 preapprove applicants as qualifying for credits under this section for any
44 taxable year beginning from and after December 31, ~~2019~~ 2022. Preapproval is
45 based on:

1 1. Priority placement established by the date that the applicant files
2 its initial application with the authority.

3 2. The availability of income tax credit capacity under the dollar
4 limit prescribed by section 41-1511, subsection J.

5 I. Within thirty days after receiving a complete and correct

9 credit or provide reasons for its denial. The authority shall send copies of
10 each preapproval to the department of revenue.

11 J. The authority shall not preapprove income tax credits under this
12 section and section 41-1511 that combined would exceed the limits prescribed
13 by section 41-1511, subsection J. A preapproved amount applies against the
14 dollar limit for the year in which the application was submitted regardless
15 of whether the initial preapproval period extends into the following year or
16 years. A business shall not be preapproved for credits under both this
17 section and section 41-1511 for the same capital investment. The authority
18 shall not preapprove income tax credits under this section for any taxpayer
19 in excess of thirty million dollars in any calendar year.

20 K. The authority shall reallocate the amount of income tax credits
21 that are voluntarily relinquished under subsection L of this section, that
22 lapse under subsection M of this section or that lapse under subsection P of
23 this section. The reallocation shall be to other businesses that applied
24 under this section or section 41-1511 in the original credit year based on
25 priority placement. Once reallocated, the amount of the credit applies
26 against the dollar limit of the original credit year regardless of the year
27 in which the reallocation occurs.

28 L. A taxpayer may voluntarily relinquish unused credit amounts in
29 writing to the authority.

30 M. Preapproval under this section lapses, the application is void and
31 the amount of the preapproved income tax credits does not apply against the
32 dollar limit prescribed by section 41-1511, subsection J if, within twelve
33 months after preapproval, the business fails to provide to the authority
34 documentation of its expenditure of two hundred fifty thousand dollars in
35 qualifying investment or, if the period over which the qualifying investment
36 will be made exceeds twelve months, documentation of additional expenditures
37 as required in this subsection for each twelve-month period.

38 N. After October 31 of each year, if the authority has preapproved the

44 O. Before an applicant applies for postapproval under subsection P of
45 this section, the applicant must enter into a written managed review
46 agreement with the chief executive officer of the authority that establishes

1 the requirements of a managed review to be conducted under this subsection at
2 the applicant's expense. The managed review must be conducted by a certified
3 public accountant who is selected by the applicant, who is licensed in this
4 state and who is approved by the chief executive officer. The certified
5 public accountant and the firm the certified public accountant is affiliated
6 with shall not regularly perform services for the applicant or its
7 affiliates. The managed review shall include an analysis of the applicant's
8 invoices, checks, accounting records and other documents and information to
9 verify its base investment and other requirements prescribed by section
10 43-1083.03 or 43-1164.04 to confirm the amount of credit. The certified
11 public accountant shall furnish written findings of the managed review to the
12 chief executive officer. The chief executive officer shall review the
13 findings and may examine records and perform other reviews that the chief
14 executive officer considers necessary to verify that the managed review
15 substantially conforms to the terms of the managed review agreement. The
16 chief executive officer shall accept or reject the findings of the managed
17 review. If the chief executive officer rejects all or part of the managed
18 review, the chief executive officer shall provide written reasons for the
19 rejection.

20 P. When the qualified facility begins operations, a business that was
21 preapproved for income tax credits under this section shall apply to the
22 authority in writing for postapproval of the credits and submit documentation
23 certifying the total amount and dates of the qualifying investments and
24 identifying the fixed capital assets associated with the qualified facility
25 incurred after June 30, 2012 through the date of application for
26 postapproval. For taxable years beginning from and after December 31, 2012,
27 the authority shall provide postapproval to a business that has met the
28 eligibility requirements of this section and shall notify the department of
29 revenue that the business may claim an income tax credit pursuant to section
30 43-1083.03 or 43-1164.04. If the amount of qualifying investment actually
31 spent is less than the amount preapproved for income tax credits, the
32 preapproved amount not incurred lapses and does not apply against the dollar
33 limit prescribed by section 41-1511, subsection J for that year. The
34 department of revenue shall not allow an income tax credit under section
35 43-1083.03 or 43-1164.04 that exceeds the amount of the postapproval for the
36 project under this subsection. For the purposes of this subsection, "begins
37 operations" means the qualified facility opens for public business.

38 Q. The authority may rescind an applicant's postapproval if the
39 business no longer meets the terms and conditions required for qualifying for
40 the credit. The authority may give special consideration, or allow temporary
41 exemption from recapture of the credit, in the case of extraordinary hardship
42 due to factors beyond the control of the qualifying business.

43 R. If the authority rescinds an applicant's preapproval or
44 postapproval under subsection Q of this section, it shall notify the
45 department of revenue of the action and the conditions of noncompliance. If
46 the department of revenue obtains information indicating a possible failure

1 to qualify and comply, it shall provide that information to the authority.
2 The department of revenue may require the business to file appropriate
3 amended tax returns reflecting any recapture of the credit under section
4 43-1083.03 or 43-1164.04.

5 S. Preapproval and postapproval of an applicant for the purposes of
6 income tax credits under this section do not constitute or imply compliance
7 with any other provision of law or any regulatory rule, order, procedure,
8 permit or other measure required by law. To maintain qualification for a
9 credit under this section, a business must separately comply with all
10 environmental, employment and other regulatory measures.

11 T. For five years after postapproval of an income tax credit under
12 this section, in any action involving the liquidation of the business assets
13 or relocation out of state, this state claims the position of a secured
14 creditor of the business in the amount of the credit the business received
15 pursuant to section 43-1083.03 or 43-1164.04. The transfer of part or all of
16 a company's assets that are then leased back by the company is not considered
17 a liquidation under this section.

18 U. Any information gathered from a business for the purposes of this
19 section is considered to be confidential taxpayer information and shall be
20 disclosed only as provided in section 42-2003, subsection B, paragraph 12,
21 except that the authority shall publish the following information in its
22 annual report:

24 preapproved for each qualifying investment.

25 2. The amount of income tax credits postapproved with respect to each
26 qualifying investment.

27 V. The authority shall:

28 1. Keep annual records of the information provided on applications for
29 qualified facilities. These records shall reflect a percentage comparison of
30 the annual amount of monies credited to qualified facilities to the estimated
31 amount of monies spent in this state in the form of qualifying investments.

32 2. Maintain annual data on growth in this state of qualified
33 facilities and related employment and wages.

34 3. Not later than April 30 following each calendar year, prepare and
35 publish a report summarizing the information collected pursuant to this
36 subsection. The authority shall make copies of the annual report available
37 to the public on request.

38 W. The authority shall adopt rules and prescribe forms and procedures
39 as necessary for the purposes of this section. The authority and the
40 department of revenue shall collaborate in adopting rules as necessary to
41 avoid duplication and inconsistencies while accomplishing the intent and
42 purposes of this section.
