1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Section 5-110, Arizona Revised Statutes, is amended to
3 read:

4 5-110. Racing days, times and allocations; emergency
5 transfer; county fairs; charity days

6 A. Permits for horse or harness racing meetings shall be approved
7 and issued for substantially the same dates allotted to permittees for the
8 same type of racing during the preceding year or for other dates that
9 permittees request, provided that, in the event there is a conflict in
10 dates requested between two or more permittees in the same county for the
11 same kind of racing, the permittee whose application is for substantially
12 the same dates as were allotted to the permittee in the preceding year
13 shall be entitled to have preference over other permittees. In the event
14 two or more permittees have agreed that the dates to be allotted to each
15 of them each year shall be alternated from one year to the next, the
16 commission shall recognize their agreement and those permittees may be
17 accorded preference over any other permittee as to those dates to be
18 allotted to those permittees on an alternating basis. Except as otherwise
19 provided, the commission shall allot dates to the respective permittees
20 after giving due consideration to all of the factors involved and the
21 interests of permittees, the public and this state.

22 B. The commission may require by the terms of any permit that the
23 permittee offer such number of races during any racing meeting as the
24 commission shall determine, provided that the permittee shall be permitted
25 to offer at least the same number of races each day as offered in the
26 prior year. The commission shall require each horse racing permittee to
27 conduct for a period of thirty days a number of races equal to an average
28 of at least two races for each day of racing exclusively for quarter
29 horses. If, in the opinion of the commission, the permittee is offering
30 acceptable quarter horse races but an honest effort is not being put forth
31 to fill these races by the horsemen, the commission may rescind the two
32 race per day quarter horse requirement.

33 C. Live racing and wagering on simulcast races shall be permissible
34 in either daytime or nighttime. Unless otherwise agreed by written
35 contract that is submitted to the department between all the permittees in
36 the same county, there shall be no wagering on simulcast dog races before
37 4:15 p.m., mountain standard time, on the same day that there is live
38 daytime horse or harness racing in any county in which commercial horse or
39 harness racing has been conducted before February 1, 1971. The hours
40 during which any other harness or horse racing is to be conducted shall be
41 determined by the commission. The application for a permit shall state
42 the exact days on which racing will be held and the time of day during
43 which racing will be conducted.

1 D. If the commission determines that an emergency has obligated or
2 may obligate a permittee to discontinue racing at a location, the
3 commission may authorize the permittee to transfer racing for the number
4 of days lost to any other location.

5 E. A racing meeting, when operated by a county fair racing
6 association or under lease during the county fair to any individual,
7 corporation or association, shall not come under the limitation placed on
8 days of racing in this section.

9 F. The department shall be the judge of whether a county fair
10 racing meeting is being operated pursuant to this section. A county fair
11 racing meeting conducted by an individual, corporation or association,
12 other than the properly authorized county fair racing association, shall
13 come under the general provisions of this article the same as a commercial
14 meeting. Notwithstanding this subsection, a county fair racing meeting,
15 whether conducted by a county fair racing association or by an individual,
16 corporation or association other than a county fair racing association, is
17 exempt from the requirement prescribed in section 5-111 to pay to the
18 state a percentage of the pari-mutuel pool collected at the meeting.

19 G. The commission may allow a permittee, in addition to the days
20 specified in this permit, to operate up to three racing days during any
21 one meeting as charity days. From the amount deducted from the total
22 handled in the pari-mutuel pool on charity days, the permittee shall
23 deduct an amount equal to the purses and the cost of conducting racing on
24 these days, and shall donate the balance to nonprofit organizations and
25 corporations that benefit the general public, that are engaged in
26 charitable, benevolent and other like work and that are selected by the
27 permittee and approved by the department. In no event shall the amount
28 given to charity from charity racing days be less than the amount that
29 otherwise would have gone to this state as the state's share on a
30 noncharity racing day.

31 H. Notwithstanding any other law, live dog racing shall not be
32 conducted in this state after December 31, 2016. This subsection does not
33 apply to nonprofit organizations that host lure coursing or similar events
34 that test a dog's ability, stamina and breeding or training for such
35 events. Notwithstanding any other provision of this article, any dog
36 racing permittee that offered live dog racing in 2016 or that has offered
37 live dog racing in eight out of ten calendar years from 1980 to 1990 in
38 counties that have a population of less than five hundred thousand persons
39 shall be considered as operating a racetrack enclosure for all purposes
40 under this article and shall not be authorized or required to conduct live
41 racing as a condition of that permittee's racing permit. Any permittee
42 qualified under this subsection may conduct advance deposit wagering,
43 wagering at additional wagering facilities that are owned or leased by
44 that permittee and wagering on telecasts of races conducted at racetrack
45 enclosures within this state or at racetrack enclosures outside this state

1 without offering live racing at that permittee's racetrack enclosure. ON
2 OR BEFORE JANUARY 1, 2023, THE DEPARTMENT SHALL CONVERT THE PERMIT OF A
3 DOG RACING PERMITTEE UNDER THIS SUBSECTION TO A PERMIT FOR HARNESS RACING
4 IF THE DOG RACING PERMITTEE MEETS THE QUALIFICATIONS FOR A PERMIT FOR
5 HARNESS RACING.

6 Sec. 2. Section 5-1318, Arizona Revised Statutes, is amended to
7 read:

8 5-1318. Fees; event wagering fund

9 A. The department shall establish a fee for the privilege of
10 operating event wagering. In determining the fee, the department shall
11 consider the highest percentage of revenue share that an Indian tribe pays
12 to this state pursuant to the tribal-state gaming compact. The event
13 wagering operator or designee has the option to choose either the cash
14 accrual or modified accrual basis method of accounting for purposes of
15 calculating the amount of the fee owed by the event wagering operator or
16 designee. The fees required pursuant to this section are due and payable
17 to the department not later than the twenty-fifth day of the month
18 following the calendar month in which the adjusted gross event wagering
19 receipts were received and the obligation was accrued.

20 B. The event wagering fund is established consisting of monies
21 deposited pursuant to this chapter or from any other source. The
22 department shall administer the fund. Except as otherwise provided in
23 this chapter, the department shall deposit, pursuant to sections 35-146
