26 the employee refuse to allow the employer's physician to make the  
27 examination, and the injured employee is a party to the refusal, no  
28 compensation shall be paid for the injury claimed to have resulted from  
29 the accident. The commission may relieve the injured person or that  
30 person's dependents from the loss or forfeiture of compensation if it  
31 believes after investigation that the circumstances attending the failure  
32 on the part of the employee or physician to report the accident and injury  
33 are such as to have excused them.

34 G. Within ten days after receiving notice of an accident, the  
35 employer shall inform the insurance carrier and the commission on the  
36 forms and in the manner as prescribed by the commission.
