

**Bill Number: S.B. 1654**

**Kerr Floor Amendment**

**Reference to: HEALTH AND HUMAN**

**SERVICES Committee amendment**

**Amendment drafted by: Leg Council**

## **FLOOR AMENDMENT EXPLANATION**

---

- 1. Allows a registered nurse practitioner to develop, sign and be responsible for a student's seizure management and treatment plan.**
- 2. Removes the requirement that each charter school nurse or school district-contracted nurse and outlined employees complete the prescribed seizure disorder online course at least once every two years.**
- 3. Prohibits the prescribed training for nurses and outlined school employees from being required more than once in a five-year period.**
- 4. Stipulates that a school nurse must complete prescribed training if the school received a student seizure management and treatment plan.**
- 5. Narrows the applicability of the seizure management training requirement for non-school nurses to only principals, guidance counselors, teachers, bus drivers and classroom aides that come into regular contact with students who have submitted a seizure management and treatment plan.**
- 6. Removes the encouragement of private school nurses and other private school employees to receive seizure disorder management training.**
- 7. Removes the requirement that a private school have at least one school employee, other than a school nurse, to meet the training requirements necessary to administer or assist with the self-administration of a seizure rescue medication or a manual dose of prescribed electrical stimulation.**
