30 the day. Only those persons who are authorized for the purpose shall
31 touch any ballot or ballot card or return. All persons who are engaged in
32 processing and counting of the ballots shall be qualified electors, shall
33 be deputized in writing and shall take an oath that they will faithfully
34 perform their assigned duties. There shall be no preferential counting of
35 ballots for the purpose of projecting the outcome of the election. If any

14 as prescribed by section 16-610 or 16-611, or to tally write-in choices as
15 prescribed by section 16-612.

17 vote adjudication board shall provide for:

18 (a) A method to track and account for the original ballot and the
19 digital duplicate of the ballot created by the electronic vote

40 at least as long as the challenge period for the general election. If the
41 live video feed is disrupted or disabled, the recorder or officer in
42 charge of elections is not liable for the disruption but shall attempt to
43 reinstate video coverage as soon as is practicable. Any disruption in
44 video coverage shall not affect or prevent the continued tabulation of
45 ballots. This subsection is contingent on legislative appropriation.

1 E. The county recorder or other officer in charge of elections
2 shall maintain records that record the chain of custody for all election
3 equipment and ballots during early voting through the completion of
