20 administration to provide coverage for eligible postpartum women.

21 The amount appropriated for the traditional medicaid services line
22 item includes monies to increase a differential adjustment payment by

 40 employee-related expenditures. The department shall submit an expenditure
 41 plan to the joint legislative budget committee for review before spending
 42 these monies other than for personal services or employee-related

1 department shall submit an expenditure plan that is not subject to review
2 before spending those monies.

3 After the department submits an expenditure plan to the joint

24 price.

25 The state department of corrections shall forward to the president
26 of the senate, the speaker of the house of representatives, the
27 chairpersons of the senate and house of representatives appropriations
28 committees and the director of the joint legislative budget committee a
29 monthly report comparing department expenditures for the month and
30 year-to-date as compared to prior-year expenditures on or before the
31 thirtieth of the following month. The report shall be in the same format
32 as the prior fiscal year and include an estimate of potential shortfalls,
33 potential surpluses that may be available to offset these shortfalls and a
34 plan, if necessary, for eliminating any shortfall without a supplemental
35 appropriation. The report shall include the number of filled and vacant
36 correctional officer and medical staff positions departmentwide and by
37 prison complex.

38 On or before November 1, 2022, the state department of corrections
39 shall provide a report on bed capacity to the joint legislative budget
40 committee. The report shall reflect the bed capacity for each security
41 classification by gender at each state-run and private institution,

32 health care contracted services, the state department of corrections shall
33 submit its expenditure plan for review by the joint legislative budget
34 committee.

35 On or before August 1, 2022 and February 1, 2023, the state
36 department of corrections shall submit a report to the joint legislative
37 budget committee on the status of all inmate health care performance
38 measures that are tracked by the department for contract monitoring
39 purposes. Each report must include:

- 40 1. The total number of performance measures, by facility, for which
41 the department is not in substantial compliance.
- 42 2. An explanation for each instance of noncompliance.
- 43 3. The department's plan to comply with the performance measures.

44 On or before August 1, 2022, the state department of corrections
