20 Sec. 3. Section 30-121, Arizona Revised Statutes, is amended to
21 read:

22 30-121. Acquisition and encouragement of development of
23 electric power

24 A. The authority shall bargain for, take and receive, in its own
25 name on behalf of ~~the~~ THIS state, electric power developed from the waters
26 of the main stream of the Colorado river by the state or the United States
27 or any agencies thereof which by provisions of state or United States law,
28 agreement or regulation may be made available, allotted or allocated to
29 ~~the~~ THIS state in its sovereign capacity.

30 B. The authority shall encourage activities deemed by it to be
31 feasible for the production OR STORAGE of electric power or energy from
32 solar energy, nuclear energy or geothermal energy, and may bargain for,
33 take and receive such energy or the electrical power generated therefrom
34 in its own name on behalf of ~~the~~ THIS state.

35 C. For the purpose of making such power available to marketing
36 areas of ~~the~~ THIS state, the authority may acquire or construct and
37 operate electric transmission systems, standby or auxiliary plants and
38 facilities and generate, STORE, produce, sell at wholesale, transmit and
39 deliver such electric power to qualified purchasers, and if conducive to
40 efficiency and convenience, may enter into agreements for interconnection
41 or pooling with projects, plants, systems or facilities of other
42 distributors of electric power. The authority shall not by definitive
43 contract or agreement obligate or bind itself to take or purchase power
44 from any source until it has previously or simultaneously procured
45 purchasers therefor.

1 D. All rights of persons and operating units under contracts
2 existing on March 27, 1944, or any renewals thereof or supplements
3 thereto, with the United States or any agency thereof, to power generated,
4 or ~~which~~ THAT may be developed or generated, at Parker dam or at any other
5 point below Hoover Dam on the main stream of the Colorado river are
6 preserved, and such rights shall not be impaired or modified by any
7 provisions or powers granted by this chapter.

8 E. In addition to the power provided for under subsections A, B, C
9 and D of this section, the authority may purchase, transmit or deliver for
10 ~~the~~ THIS state, or any person or operating unit, power generated or
11 produced from projects or works owned or operated by the United States or
12 any agency thereof, or any state, person or operating unit, and for the
13 purpose of delivering such power to available marketing areas the
14 authority shall have the powers provided for by subsections A, B, C and D
15 of this section. ~~No~~ A person or operating unit in ~~the~~ THIS state shall
16 NOT become a purchaser of electrical power under this subsection unless a
17 power purchase certificate is obtained as provided in article 3 of this
18 chapter.

19 Sec. 4. Section 30-123, Arizona Revised Statutes, is amended to
20 read:

21 30-123. Development programs for utilization of power; use of
22 state property; right of eminent domain

23 A. The authority shall formulate plans and development programs for
24 the practical, equitable and economical utilization of electric power placed
25 under its supervision and control. The authority ~~shall~~, subject to the
26 provisions of this chapter, SHALL proceed to accomplish progressively and
27 place the plans and programs in operation and effect. For such purpose
28 the authority may exercise all or any of the powers and privileges granted
29 by this chapter, singly or conjointly, severally independent or jointly
30 with the United States or any department thereof, or with any person or
31 operating unit, and may make application for, obtain, hold and use permits
32 and licenses from the United States or any of its agencies for power
33 sites, rights-of-way, rights and uses and other privileges. For such
34 purpose the authority may make application, appropriations and filings
35 under and in accordance with this chapter and ~~chapter 1 of~~ title 45,
36 CHAPTER 1 for power in the same manner as any other qualified person or
37 operating unit, but without payment of fees or charges for filing any
38 maps, plans or other data in connection therewith.

39 B. The authority may use real property owned by ~~the~~ THIS state, not
40 dedicated to public use, ~~which~~ THAT may be necessary as sites for any
41 project, or facility or rights-of-way of the authority. When any lands or
42 rights-of-way of ~~the~~ THIS state dedicated to public use are necessary for
43 the construction, operation or maintenance of the projects or transmission
44 systems, such lands or rights-of-way may be used therefor but in
45 accordance with the terms and conditions of an agreement to be first

1 entered into between the authority and the political subdivision or agency
2 having jurisdiction over or control and management of the land or
3 rights-of-way.

4 C. The authority may acquire by lease, purchase or any other means,
5 real property owned by the state or federal government and may dispose of
6 such property by sale, lease or other means to persons engaged in projects
7 deemed by the authority to be feasible for the production **OR STORAGE** of
8 electric power or energy from solar, nuclear or geothermal energy,
9 including projects for research and development in such fields.

10 D. The authority may exercise the privilege and right of eminent
11 domain and may condemn private property for public use in the same manner
12 and to the same extent as persons or operating units. Any property
13 condemned, taken or appropriated under the provisions of this chapter is
14 declared to be taken, condemned or appropriated for a public use.

15 E. **Not** A project, transmission system, work or facility shall **NOT** be
16 constructed or otherwise acquired, unless and until after due
17 consideration and investigation, it is determined by the authority to be
18 feasible and economically sound, and that the project or facility will be
19 self-financing and will be liquidated within a reasonable period of useful
20 life as determined by the authority and until definite contracts or
21 agreements are executed as provided by section 30-121.

APPROVED BY THE GOVERNOR JUNE 19, 2023.
