27 The department of child safety shall provide training to any new
 28 child safety FTE positions before assigning any client caseload duties to
 29 any of these employees.

30 The legislature intends that the department of child safety use its
 31 funding to achieve a one hundred percent investigation rate.

32 All expenditures made by the department of child safety for attorney
 33 general legal services shall be funded only from the attorney general
 34 legal services line item. Monies in department of child safety line items
 35 intended for this purpose shall be transferred to the attorney general
 36 legal services line item before expenditure.

37 Out-of-home placements

38 The department of child safety may transfer up to ten percent of the
 39 total amount of federal temporary assistance for needy families block
 40 grant monies appropriated to the department of economic security and the
 41 department of child safety to the social services block grant. Before
 42 transferring federal temporary assistance for needy families block grant
 43 monies to the social services block grant, the department of child safety
 44 shall report the proposed amount of the transfer to the director of the
 45 joint legislative budget committee. This report may be in the form of an

1 expenditure plan that is submitted at the beginning of the fiscal year and
2 updated, if necessary, throughout the fiscal year.

3 The amount appropriated for kinship care shall be used for a stipend
4 of \$300 per month for a relative caretaker, including a grandparent, any
5 level of great-grandparent or any nongrandparent relative, or a caretaker
6 of fictive kinship, if a dependent child is placed in the care of a
7 relative caretaker or caretaker of fictive kinship pursuant to department
8 guidelines. The department shall provide the stipend on behalf of all
9 children placed with an unlicensed kinship foster care parent. The
10 unlicensed kinship foster care parent is not required to file an
11 application to receive the stipend. Before changing the eligibility for
12 the program or the amount of the stipend, the department shall submit a
13 report for review by the joint legislative budget committee detailing the
14 proposed changes.

15 On or before March 31, 2024, the department of child safety shall
16 report to the joint legislative budget committee the number of children
17 who are part of the kinship stipend program and reside with a nonrelative
18 caretaker of fictive kinship.

19 Departmentwide

20 The amount appropriated for any line item may not be transferred to
21 another line item or to the operating budget unless the transfer is
22 reviewed by the joint legislative budget committee, except that transfers
23 between any two line items relating to the comprehensive health plan are
24 not subject to review.

25 Child safety expenditure authority includes all department funding
26 sources excluding the state general fund, the federal child care and
27 development fund block grant, the federal temporary assistance for needy
28 families block grant, the child abuse prevention fund, the children and
29 family services training program fund and the comprehensive health plan
30 expenditure authority fund.

31 On or before December 1, 2023, the department of child safety shall
32 submit a report to the joint legislative budget committee on the
33 department's efforts to implement the family first prevention services act
34 of 2018. The report shall quantify the department's efforts in at least
35 the following areas, including any associated fiscal impacts:

36 1. Reducing the number of children placed for more than two weeks
37 in congregate care settings, excluding qualified residential treatment
38 programs, facilities for pregnant and parenting youth, supervised
39 independent living and specialized programs for victims of sex
40 trafficking.

41 2. Assisting congregate care providers in attaining status as
42 qualified residential treatment programs.

43 3. Identifying alternative placements, including therapeutic foster
44 homes, for children who would otherwise be placed in congregate care.

7 for which services have not been authorized for at least sixty days and
8 any case that has had an investigation, has been referred to another unit
9 and has had no contact for at least sixty days.

10 2. Includes any case for which the investigation has been open
11 without any documentation or contact for at least sixty days, any case
12 involving in-home services for which there has been no contact or services
13 authorized for at least sixty days and any case involving foster care in
14 which there has been no contact or any documentation entered in the child
15 welfare automated system for at least sixty days.

16 For the purposes of this section:

23 committee on the progress made during July 2023 through December 2023 and
24 January 2024 through June 2024, respectively, in meeting the caseload
25 standard and reducing the number of backlog and long-term cases. Each
26 report shall include the number of backlog cases, the number of open
27 reports, the number of long-term cases and the caseworker workload in
28 comparison to the previous six months. Each report shall provide the
29 number of backlog cases by disposition, including the number of backlog
30 cases in the investigation phase, the number of backlog cases associated
31 with out-of-home placements and the number of backlog cases associated
32 with in-home cases.

33 To determine the caseworker workload, the department shall report
34 the number of case-carrying caseworkers at each field office and the
35 number of investigations, in-home cases and long-term cases assigned to
36 each field office.

37 For backlog cases, the department's benchmark is 1,000 cases.

38 For open reports, the department's benchmark is fewer than 8,000
39 open reports.

40 For long-term cases, the department's benchmark is the caseload
41 reported for December 2022.

42 If the department of child safety has not submitted a required
43 report within thirty days after the report is due, the director of the
44 joint legislative budget committee shall inform the general accounting
45 office of the department of administration, which shall withhold two

 30 budget to the private prison per diem line item for private prison staff
 31 stipends. The amount of any private prison staff stipend may not exceed

13 legislative budget committee any new placement into a state-owned ICF-IID
14 or the Arizona training program at the Coolidge campus in fiscal year

18 report if no new placements were made. On or before September 1, 2024,
19 the department shall also report to the director of the joint legislative
20 budget committee the total costs associated with the Arizona training
