

REFERENCE TITLE: **polling places; drop boxes; campuses**

State of Arizona  
Senate  
Fifty-sixth Legislature  
First Regular Session  
2023

# **SB 1515**

Introduced by  
Senators Mendez: Epstein, Gabaldón, Hernandez, Miranda, Sundareshan,  
Terán; Representative Salman

AN ACT

AMENDING SECTION 16-411, ARIZONA REVISED STATUTES; RELATING TO ELECTION PRECINCTS AND POLLING PLACES.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:  
2       Section 1. Section 16-411, Arizona Revised Statutes, is amended to  
3 read:

4           16-411. Designation of election precincts and polling places;  
5           voting centers; electioneering; wait times

6       A. The board of supervisors of each county, on or before October 1  
7 of each year preceding the year of a general election, by an order, shall  
8 establish a convenient number of election precincts in the county and  
9 define the boundaries of the precincts as follows:

10      1. The election precinct boundaries shall be established so as to  
11 be included within election districts prescribed by law for elected  
12 officers of the state and its political subdivisions, including community  
13 college district precincts, except those elected officers provided for in  
14 titles 30 and 48.

15      2. If after October 1 of the year preceding the year of a general  
16 election the board of supervisors must further adjust precinct boundaries  
17 due to the redistricting of election districts as prescribed by law and to  
18 comply with this subsection, the board of supervisors shall adjust these  
19 precinct boundaries as soon as is practicable.

20      B. At least twenty days before a general or primary election, and  
21 at least ten days before a special election, the board shall designate one  
22 polling place within each precinct where the election shall be held,  
23 except that:

24       1. On a specific finding of the board, included in the order or  
25 resolution designating polling places pursuant to this subsection, that no  
26 suitable polling place is available within a precinct, a polling place for  
27 that precinct may be designated within an adjacent precinct.

28       2. Adjacent precincts may be combined if boundaries so established  
29 are included in election districts prescribed by law for state elected  
30 officials and political subdivisions including community college districts  
31 but not including elected officials prescribed by titles 30 and 48. The  
32 officer in charge of elections may also split a precinct for  
33 administrative purposes. The polling places shall be listed in separate  
34 sections of the order or resolution.

35       3. On a specific finding of the board that the number of persons  
36 who are listed as early voters pursuant to section 16-544 and who are not  
37 expected to have their ballots tabulated at the polling place as  
38 prescribed in section 16-579.02 is likely to substantially reduce the  
39 number of voters appearing at one or more specific polling places at that  
40 election, adjacent precincts may be consolidated by combining polling  
41 places and precinct boards for that election. The board of supervisors  
42 shall ensure that a reasonable and adequate number of polling places will  
43 be designated for that election. Any consolidated polling places shall be  
44 listed in separate sections of the order or resolution of the board.

1       4. On a specific resolution of the board, the board may authorize  
2 the use of voting centers in place of or in addition to specifically  
3 designated polling places. A voting center shall allow any voter in that  
4 county to receive the appropriate ballot for that voter on election day  
5 after presenting identification as prescribed in section 16-579 and to  
6 lawfully cast the ballot. Voting centers may be established in  
7 coordination and consultation with the county recorder, at other county  
8 offices or at other locations in the county deemed appropriate.

9       5. On a specific resolution of the board of supervisors that is  
10 limited to a specific election date and that is voted on by a recorded  
11 vote, the board may authorize the county recorder or other officer in  
12 charge of elections to use emergency voting centers as follows:

13       (a) The board shall specify in the resolution the location and the  
14 hours of operation of the emergency voting centers.

15       (b) A qualified elector voting at an emergency voting center shall  
16 provide identification as prescribed in section 16-579, except that  
17 notwithstanding section 16-579, subsection A, paragraph 2, for any voting  
18 at an emergency voting center, the county recorder or other officer in  
19 charge of elections may allow a qualified elector to update the elector's  
20 voter registration information as provided for in the secretary of state's  
21 instructions and procedures manual adopted pursuant to section 16-452.

22       (c) If an emergency voting center established pursuant to this  
23 section becomes unavailable and there is not sufficient time for the board  
24 of supervisors to convene to approve an alternate location for that  
25 emergency voting center, the county recorder or other officer in charge of  
26 elections may make changes to the approved emergency voting center  
27 location and shall notify the public and the board of supervisors  
28 regarding that change as soon as practicable. The alternate emergency  
29 voting center shall be as close in proximity to the approved emergency  
30 voting center location as possible.

31       C. NOTWITHSTANDING SUBSECTION B OF THIS SECTION, THE BOARD OF  
32 SUPERVISORS OF EACH COUNTY SHALL DESIGNATE AT LEAST ONE POLLING PLACE OR  
33 VOTING CENTER ON THE MAIN CAMPUS OF EACH STATE UNIVERSITY IN THAT COUNTY  
34 AND SHALL PROVIDE FOR AT LEAST ONE EARLY BALLOT DROPBOX AT EACH STATE  
35 UNIVERSITY SATELLITE LOCATION AND EACH COMMUNITY COLLEGE CAMPUS AND  
36 COMMUNITY COLLEGE SATELLITE LOCATION IN THAT COUNTY.

37       C. D. If the board fails to designate the place for holding the  
38 election, or if it cannot be held at or about the place designated, the  
39 justice of the peace in the precinct, two days before the election, by an  
40 order, copies of which the justice of the peace shall immediately post in  
41 three public places in the precinct, shall designate the place within the  
42 precinct for holding the election. If there is no justice of the peace in  
43 the precinct, or if the justice of the peace fails to do so, the election  
44 board of the precinct shall designate and give notice of the place within  
45 the precinct of holding the election. For any election in which there are

1 no candidates for elected office appearing on the ballot, the board may  
2 consolidate polling places and precinct boards and may consolidate the  
3 tabulation of results for that election if all of the following apply:

4       1. All affected voters are notified by mail of the change at least  
5 thirty-three days before the election.

6       2. Notice of the change in polling places includes notice of the  
7 new voting location, notice of the hours for voting on election day and  
8 notice of the telephone number to call for voter assistance.

9       3. All affected voters receive information on early voting that  
10 includes the application used to request an early voting ballot.

11      ~~D.~~ E. The board is not required to designate a polling place for  
12 special district mail ballot elections held pursuant to article 8.1 of  
13 this chapter, but the board may designate one or more sites for voters to  
14 deposit marked ballots until 7:00 p.m. on the day of the election.

15      ~~E.~~ F. Except as provided in subsection ~~F~~ G of this section, a  
16 public school shall provide sufficient space for use as a polling place  
17 for any city, county or state election when requested by the officer in  
18 charge of elections.

19      ~~F.~~ G. The principal of the school may deny a request to provide  
20 space for use as a polling place for any city, county or state election  
21 if, within two weeks after a request has been made, the principal provides  
22 a written statement indicating a reason the election cannot be held in the  
23 school, including any of the following:

24       1. Space is not available at the school.

25       2. The safety or welfare of the children would be jeopardized.

26      ~~G.~~ H. The board shall make available to the public as a public  
27 record a list of the polling places for all precincts in which the  
28 election is to be held.

29      ~~H.~~ I. Except in the case of an emergency, any facility that is  
30 used as a polling place on election day or that is used as an early voting  
31 site during the period of early voting shall allow persons to electioneer  
32 and engage in other political activity outside of the seventy-five foot  
33 limit prescribed by section 16-515 in public areas and parking lots used  
34 by voters. This subsection does not allow the temporary or permanent  
35 construction of structures in public areas and parking lots or the  
36 blocking or other impairment of access to parking spaces for voters. The  
37 county recorder or other officer in charge of elections shall post on its  
38 website at least two weeks before election day a list of those polling  
39 places in which emergency conditions prevent electioneering and shall  
40 specify the reason the emergency designation was granted and the number of  
41 attempts that were made to find a polling place before granting an  
42 emergency designation. If the polling place is not on the website list of  
43 polling places with emergency designations, electioneering and other  
44 political activity shall be allowed outside of the seventy-five foot  
45 limit. If an emergency arises after the county recorder or other officer

1       in charge of elections' initial website posting, the county recorder or  
2       other officer in charge of elections shall update the website as soon as  
3       is practicable to include any new polling places, shall highlight the  
4       polling place location on the website and shall specify the reason the  
5       emergency designation was granted and the number of attempts that were  
6       made to find a polling place before granting an emergency designation.

7       ~~J.~~ J. For the purposes of this section, a county recorder or other  
8       officer in charge of elections shall designate a polling place as an  
9       emergency polling place and thus prohibit persons from electioneering and  
10      engaging in other political activity outside of the seventy-five foot  
11      limit prescribed by section 16-515 but inside the property of the facility  
12      that is hosting the polling place if any of the following occurs:

13       1. An act of God renders a previously set polling place as  
14       unusable.

15       2. A county recorder or other officer in charge of elections has  
16       exhausted all options and there are no suitable facilities in a precinct  
17       that are willing to be a polling place unless a facility can be given an  
18       emergency designation.

19       ~~J.~~ K. The secretary of state shall provide through the  
20      instructions and procedures manual adopted pursuant to section 16-452 the  
21      maximum allowable wait time for any election that is subject to section  
22      16-204 and provide for a method to reduce voter wait time at the polls in  
23      the primary and general elections. The method shall consider at least all  
24      of the following for primary and general elections in each precinct:

25       1. The number of ballots voted in the prior primary and general  
26       elections.

27       2. The number of registered voters who voted early in the prior  
28       primary and general elections.

29       3. The number of registered voters and the number of registered  
30       voters who cast an early ballot for the current primary or general  
31       election.

32       4. The number of registered voters whose early ballots were  
33       tabulated on-site as prescribed in section 16-579.02 in the prior primary  
34       and general elections.

35       5. The number of election board members and clerks and the number  
36       of rosters that will reduce voter wait time at the polls.
