16 consultation with a statewide private entity that supervises  
17 interscholastic activities to inform and educate coaches, pupils and  
18 parents of the dangers of heat-related illnesses, sudden cardiac death and  
19 prescription opioid use. Before a pupil participates in any  
20 district-sponsored practice session or game or other interscholastic  
21 athletic activity, the pupil and the pupil's parent must be provided with  
22 information at least once each school year on the risks of heat-related  
23 illnesses, sudden cardiac death and prescription opioid addiction.

24 25. Establish an assessment, data gathering and reporting system as  
25 prescribed in chapter 7, article 3 of this title.

34 projects.

35 29. Keep in the personnel file of all current and former employees  
36 who provide instruction to pupils at a school information about the  
37 employee's educational and teaching background and experience in a  
38 particular academic content subject area. A school district shall inform  
39 parents and guardians of the availability of the information and shall  
40 make the information available for inspection on request of parents and  
41 guardians of pupils enrolled at a school. This paragraph does not require  
42 any school to release personally identifiable information in relation to  
43 any teacher or employee, including the teacher's or employee's address,  
44 salary, social security number or telephone number.

1           30. Report to local law enforcement agencies any suspected crime  
2 against a person or property that is a serious offense as defined in  
3 section 13-706 or that involves a deadly weapon or dangerous instrument or  
4 serious physical injury and any conduct that poses a threat of death or  
5 serious physical injury to employees, students or anyone on the property  
6 of the school. This paragraph does not limit or preclude the reporting by  
7 a school district or an employee of a school district of suspected crimes  
8 other than those required to be reported by this paragraph. For the  
9 purposes of this paragraph, "dangerous instrument", "deadly weapon" and  
10 "serious physical injury" have the same meanings prescribed in section  
11 13-105.

12           31. In conjunction with local law enforcement agencies and  
13 emergency response agencies, develop an emergency response plan for each  
14 school in the school district in accordance with minimum standards

21 notice shall include the reasons for the proposed closure and the time and  
22 place of the meeting. The governing board shall fix a time for a public  
23 meeting on the proposed closure not less than ten days before voting in a  
24 public meeting to close the school. The school district governing board  
25 shall give notice of the time and place of the meeting. At the time and  
26 place designated in the notice, the school district governing board shall  
27 hear reasons for or against closing the school. The school district  
28 governing board is exempt from this paragraph if the governing board  
29 determines that the school shall be closed because it poses a danger to  
30 the health or safety of the pupils or employees of the school. A  
31 governing board may consult with the division of school facilities within  
32 the department of administration for technical assistance and for  
33 information on the impact of closing a school. The information provided  
34 from the division of school facilities within the department of  
35 administration shall not require the governing board to take or not take  
36 any action.

42 25 or by a registered nurse practitioner licensed and certified pursuant  
43 to title 32, chapter 15 to carry and self-administer emergency  
44 medications, including epinephrine auto-injectors, while at school and at  
45 school-sponsored activities. The pupil's name on the prescription label on

1 the medication container or on the medication device and annual written  
2 documentation from the pupil's parent or guardian to the school that  
3 authorizes possession and self-administration is sufficient proof that the  
4 pupil is entitled to possess and self-administer the medication. The  
5 policies shall require a pupil who uses an epinephrine auto-injector while  
6 at school and at school-sponsored activities to notify the nurse or the  
7 designated school staff person of the use of the medication as soon as  
8 practicable. A school district and its employees are immune from civil  
9 liability with respect to all decisions made and actions taken that are  
10 based on good faith implementation of the requirements of this  
11 subdivision, except in cases of wanton or wilful neglect.

18 on the medication container or on the handheld inhaler device and annual  
19 written documentation from the pupil's parent or guardian to the school  
20 that authorizes possession and self-administration is sufficient proof  
21 that the pupil is entitled to possess and self-administer the medication.  
22 A school district and its employees are immune from civil liability with  
23 respect to all decisions made and actions taken that are based on a good  
24 faith implementation of the requirements of this paragraph.

25 36. Prescribe and enforce policies and procedures to prohibit  
26 pupils from harassing, intimidating and bullying other pupils on school  
27 grounds, on school property, on school buses, at school bus stops, at  
28 school-sponsored events and activities and through the use of electronic  
29 technology or electronic communication on school computers, networks,  
30 forums and mailing lists that include the following components:

31 (a) A procedure for pupils, parents and school district employees  
32 to confidentially report to school officials incidents of harassment,  
33 intimidation or bullying. The school shall make available written forms  
34 designed to provide a full and detailed description of the incident and  
35 any other relevant information about the incident.

36 (b) A requirement that school district employees report in writing  
37 suspected incidents of harassment, intimidation or bullying to the  
38 appropriate school official and a description of appropriate disciplinary  
39 procedures for employees who fail to report suspected incidents that are

41 (c) A requirement that, at the beginning of each school year,

4 services available to that pupil.

5 (e) A formal process for documenting reported incidents of  
6 harassment, intimidation or bullying and providing for the  
7 confidentiality, maintenance and disposition of this documentation.  
8 School districts shall maintain documentation of all incidents reported  
9 pursuant to this paragraph for at least six years. The school shall not  
10 use that documentation to impose disciplinary action unless the  
11 appropriate school official has investigated and determined that the  
12 reported incidents of harassment, intimidation or bullying occurred. If a  
13 school provides documentation of reported incidents to persons other than  
14 school officials or law enforcement, all individually identifiable  
15 information shall be redacted.

16 (f) A formal process for the appropriate school officials to  
17 investigate suspected incidents of harassment, intimidation or bullying,  
18 including procedures for notifying the alleged victim and the alleged  
19 victim's parent or guardian when a school official or employee becomes  
20 aware of the suspected incident of harassment, intimidation or bullying.

21 (g) Disciplinary procedures for pupils who have admitted or been  
22 found to have committed incidents of harassment, intimidation or bullying.

23 (h) A procedure that sets forth consequences for submitting false  
24 reports of incidents of harassment, intimidation or bullying.

25 (i) Procedures designed to protect the health and safety of pupils  
26 who are physically harmed as the result of incidents of harassment,  
27 intimidation and bullying, including, if appropriate, procedures to  
28 contact emergency medical services or law enforcement agencies, or both.

29 (j) Definitions of harassment, intimidation and bullying.

30 37. Prescribe and enforce policies and procedures regarding  
31 changing or adopting attendance boundaries that include the following  
32 components:

33 (a) A procedure for holding public meetings to discuss attendance  
34 boundary changes or adoptions that allows public comments.

35 (b) A procedure to notify the parents or guardians of the students  
36 affected, including assurance that, if that school remains open as part of  
37 the boundary change and capacity is available, students assigned to a new  
38 attendance area may stay enrolled in their current school.

39 (c) A procedure to notify the residents of the households affected  
40 by the attendance boundary changes.

41 (d) A process for placing public meeting notices and proposed maps  
42 on the school district's website for public review, if the school district  
43 maintains a website.

44 (e) A formal process for presenting the attendance boundaries of  
45 the affected area in public meetings that allows public comments.

1 (f) A formal process for notifying the residents and parents or  
2 guardians of the affected area as to the decision of the governing board  
3 on the school district's website, if the school district maintains a  
4 website.

9 38. If the state board of education determines that the school  
10 district has committed an overexpenditure as defined in section 15-107,  
11 provide a copy of the fiscal management report submitted pursuant to

13 the public on request. The school district shall comply with a request  
14 within five business days after receipt.

15 39. Ensure that the contract for the superintendent is structured  
16 in a manner in which up to twenty percent of the total annual salary  
17 included for the superintendent in the contract is classified as  
18 performance pay. This paragraph does not require school districts to  
19 increase total compensation for superintendents. Unless the school  
20 district governing board votes to implement an alternative procedure at a  
21 public meeting called for this purpose, the performance pay portion of the  
22 superintendent's total annual compensation shall be determined as follows:

23 (a) Twenty-five percent of the performance pay shall be determined  
24 based on the percentage of academic gain determined by the department of  
25 education of pupils who are enrolled in the school district compared to  
26 the academic gain achieved by the highest ranking of the fifty largest  
27 school districts in this state. For the purposes of this subdivision, the  
28 department of education shall determine academic gain by the academic  
29 growth achieved by each pupil who has been enrolled at the same school in  
30 a school district for at least five consecutive months measured against  
31 that pupil's academic results in the 2008-2009 school year. For the  
32 purposes of this subdivision, of the fifty largest school districts in  
33 this state, the school district with pupils who demonstrate the highest  
34 statewide percentage of overall academic gain measured against academic  
35 results for the 2008-2009 school year shall be assigned a score of 100 and  
36 the school district with pupils who demonstrate the lowest statewide  
37 percentage of overall academic gain measured against academic results for  
38 the 2008-2009 school year shall be assigned a score of 0.

39 (b) Twenty-five percent of the performance pay shall be determined  
40 by the percentage of parents of pupils who are enrolled at the school  
41 district who assign a letter grade of "A" to the school on a survey of  
42 parental satisfaction with the school district. The parental satisfaction  
43 survey shall be administered and scored by an independent entity that is  
44 selected by the governing board and that demonstrates sufficient expertise  
45 and experience to accurately measure the results of the survey. The

1 parental satisfaction survey shall use standard random sampling procedures  
2 and provide anonymity and confidentiality to each parent who participates  
3 in the survey. The letter grade scale used on the parental satisfaction  
4 survey shall direct parents to assign one of the following letter grades:

- 5 (i) A letter grade of "A" if the school district is excellent.
- 6 (ii) A letter grade of "B" if the school district is above average.
- 7 (iii) A letter grade of "C" if the school district is average.
- 8 (iv) A letter grade of "D" if the school district is below average.
- 9 (v) A letter grade of "F" if the school district is a failure.

10 (c) Twenty-five percent of the performance pay shall be determined  
11 by the percentage of teachers who are employed at the school district and  
12 who assign a letter grade of "A" to the school on a survey of teacher  
13 satisfaction with the school. The teacher satisfaction survey shall be  
14 administered and scored by an independent entity that is selected by the  
15 governing board and that demonstrates sufficient expertise and experience  
16 to accurately measure the results of the survey. The teacher satisfaction  
17 survey shall use standard random sampling procedures and provide anonymity  
18 and confidentiality to each teacher who participates in the survey. The  
19 letter grade scale used on the teacher satisfaction survey shall direct  
20 teachers to assign one of the following letter grades:

- 21 (i) A letter grade of "A" if the school district is excellent.
- 22 (ii) A letter grade of "B" if the school district is above average.
- 23 (iii) A letter grade of "C" if the school district is average.
- 24 (iv) A letter grade of "D" if the school district is below average.
- 25 (v) A letter grade of "F" if the school district is a failure.

26 (d) Twenty-five percent of the performance pay shall be determined  
27 by other criteria selected by the governing board.

28 40. Maintain and store permanent public records of the school  
29 district as required by law. Notwithstanding section 39-101, the  
30 standards adopted by the Arizona state library, archives and public  
31 records for the maintenance and storage of school district public records  
32 shall allow school districts to elect to satisfy the requirements of this  
33 paragraph by maintaining and storing these records either on paper or in  
34 an electronic format, or a combination of a paper and electronic format.

35 41. Adopt in a public meeting and implement policies for principal  
36 evaluations. Before adopting principal evaluation policies, the school  
37 district governing board shall provide opportunities for public discussion  
38 on the proposed policies. The governing board shall adopt policies that:

- 39 (a) Are designed to improve principal performance and improve  
40 student achievement.
- 41 (b) Include the use of quantitative data on the academic progress  
42 for all students, which shall account for between twenty percent and  
43 thirty-three percent of the evaluation outcomes.
- 44 (c) Include four performance classifications, designated as highly  
45 effective, effective, developing and ineffective.

1 (d) Describe both of the following:

2 (i) The methods used to evaluate the performance of principals,  
3 including the data used to measure student performance and job  
4 effectiveness.

5 (ii) The formula used to determine evaluation outcomes.

6 42. Prescribe and enforce policies and procedures that define the  
7 duties of principals and teachers. These policies and procedures shall  
8 authorize teachers to take and maintain daily classroom attendance, make  
9 the decision to promote or retain a pupil in a grade in common school or  
10 to pass or fail a pupil in a course in high school, subject to review by  
11 the governing board in the manner provided in section 15-342,  
12 paragraph 11.

13 43. Prescribe and enforce policies and procedures for the emergency  
14 administration by an employee of a school district pursuant to section  
15 36-2267 of naloxone hydrochloride or any other opioid antagonist approved  
16 by the United States food and drug administration.

17 44. In addition to the notification requirements prescribed in  
18 paragraph 36 of this subsection, prescribe and enforce reasonable and  
19 appropriate policies to notify a pupil's parent or guardian if any person  
20 engages in harassing, threatening or intimidating conduct against that  
21 pupil. A school district and its officials and employees are immune from  
22 civil liability with respect to all decisions made and actions taken that  
23 are based on good faith implementation of the requirements of this  
24 paragraph, except in cases of gross negligence or wanton or wilful  
25 neglect. A person engages in threatening or intimidating if the person  
26 threatens or intimidates by word or conduct to cause physical injury to  
27 another person or serious damage to the property of another on school  
28 grounds. A person engages in harassment if, with intent to harass or with  
29 knowledge that the person is harassing another person, the person  
30 anonymously or otherwise contacts, communicates or causes a communication  
31 with another person by verbal, electronic, mechanical, telephonic or  
32 written means in a manner that harasses on school grounds or substantially  
33 disrupts the school environment.

34 45. Each fiscal year, provide to each school district employee a  
35 total compensation statement that is broken down by category of benefit or  
36 payment and that includes, for that employee, at least all of the  
37 following:

38 (a) Base salary and any additional pay.

39 (b) Medical benefits and the value of any employer-paid portions of  
40 insurance plan premiums.

41 (c) Retirement benefit plans, including social security.

42 (d) Legally required benefits.

43 (e) Any paid leave.

44 (f) Any other payment made to or on behalf of the employee.

45 (g) Any other benefit provided to the employee.

1           46. Develop and adopt in a public meeting policies to allow for  
2 visits, tours and observations of all classrooms by parents of enrolled  
3 pupils and parents who wish to enroll their children in the school  
4 district unless a visit, tour or observation threatens the health and  
5 safety of pupils and staff. These policies and procedures must be easily  
6 accessible from the home page on each school's website.

7           B. Notwithstanding subsection A, paragraphs 7, 9 and 11 of this  
8 section, the county school superintendent may construct, improve and  
9 furnish school buildings or purchase or sell school sites in the conduct  
10 of an accommodation school.

11           C. If any school district acquires real or personal property,  
12 whether by purchase, exchange, condemnation, gift or otherwise, the  
13 governing board shall pay to the county treasurer any taxes on the  
14 property that were unpaid as of the date of acquisition, including  
15 penalties and interest. The lien for unpaid delinquent taxes, penalties  
16 and interest on property acquired by a school district:

17           1. Is not abated, extinguished, discharged or merged in the title  
18 to the property.

19           2. Is enforceable in the same manner as other delinquent tax liens.

20           D. The governing board may not locate a school on property that is  
21 less than one-fourth mile from agricultural land regulated pursuant to  
22 section 3-365, except that the owner of the agricultural land may agree to  
23 comply with the buffer zone requirements of section 3-365. If the owner  
24 agrees in writing to comply with the buffer zone requirements and records  
25 the agreement in the office of the county recorder as a restrictive  
26 covenant running with the title to the land, the school district may  
27 locate a school within the affected buffer zone. The agreement may  
28 include any stipulations regarding the school, including conditions for  
29 future expansion of the school and changes in the operational status of  
30 the school that will result in a breach of the agreement.

31           E. A school district, its governing board members, its school  
32 council members and its employees are immune from civil liability for the  
33 consequences of adopting and implementing policies and procedures pursuant  
34 to subsection A of this section and section 15-342. This waiver does not  
35 apply if the school district, its governing board members, its school  
36 council members or its employees are guilty of gross negligence or  
37 intentional misconduct.

38           F. A governing board may delegate in writing to a superintendent,  
39 principal or head teacher the authority to prescribe procedures that are  
40 consistent with the governing board's policies.

41           G. Notwithstanding any other provision of this title, a school  
42 district governing board shall not take any action that would result in a  
43 reduction of pupil square footage unless the governing board notifies the  
44 school facilities oversight board established by section 41-5701.02 of the  
45 proposed action and receives written approval from the school facilities

1 oversight board to take the action. A reduction includes an increase in  
2 administrative space that results in a reduction of pupil square footage  
3 or sale of school sites or buildings, or both. A reduction includes a  
4 reconfiguration of grades that results in a reduction of pupil square  
5 footage of any grade level. This subsection does not apply to temporary  
6 reconfiguration of grades to accommodate new school construction if the  
7 temporary reconfiguration does not exceed one year. The sale of equipment  
8 that results in a reduction that falls below the equipment requirements  
9 prescribed in section 41-5711, subsection B is subject to commensurate  
10 withholding of school district additional assistance monies  
11 pursuant to the direction of the school facilities oversight board.  
12 Except as provided in section 15-342, paragraph 10, proceeds from the sale  
13 of school sites, buildings or other equipment shall be deposited in the  
14 school plant fund as provided in section 15-1102.

15 H. Subsections C through G of this section apply to a county board  
16 of supervisors and a county school superintendent when operating and  
17 administering an accommodation school.

18 I. A school district governing board may delegate authority in  
19 writing to the superintendent of the school district to submit plans for  
20 new school facilities to the school facilities oversight board for the  
21 purpose of certifying that the plans meet the minimum school facility  
22 adequacy guidelines prescribed in section 41-5711.

23 J. For the purposes of subsection A, paragraph 37 of this section,  
24 attendance boundaries may not be used to require students to attend  
25 certain schools based on the student's place of residence.
