

ARIZONA STATE SENATE
Fifty-Sixth Legislature, Second Regular Session

AMENDED
FACT SHEET FOR H.C.R. 2060

lawful presence; e-verify program; penalties
(NOW: border; benefits; fentanyl; illegal entry)

Purpose

Subject to voter approval, statutorily makes it unlawful for a person who is an unlawful immigrant to enter Arizona from a foreign nation at any location other than a lawful port of entry. Outlines requirements for the issuance of an order to return to a foreign nation, civil immunity and enforceability of unlawful immigration laws. Prohibits natural persons from submitting false documents when applying for public benefits or employment.

Background

Statute requires any natural person who applies for a state or local public benefit, or any federal public benefit that requires participants to be citizens or legal residents of the United States or otherwise lawfully present in the United States, to submit at least one of the following documents demonstrating lawful presence in the United States: 1) an Arizona driver license issued after 1996 or an Arizona nonoperating identification license; 2) a birth certificate or delayed birth certificate issued in any state, territory or possession of the United States; 3) a U.S. certificate of birth abroad; 4) a U.S. passport; 5) a foreign passport with a U.S. visa; 6) an I-94 form with a photograph; 7) a U.S. citizenship and immigration services employment authorization document or refugee travel document; 8) a U.S. certificate of naturalization; 9) a U.S. certificate of citizenship; 10) a tribal certificate of Indian blood; or 11) a tribal or Bureau of Indian Affairs affidavit of birth. Any person applying for such benefits must sign a sworn affidavit stating under penalty of perjury that the documents presented are true, and failure to report discovered violations of federal immigration law by an employee of the state is a class 2 misdemeanor (A.R.S. §§ [1-501](#) and [1-502](#)).

E-Verify is a web-based system through which employers create cases based on information taken from an employee's Form I-9, which is then electronically compared to information available to the U.S. Department of Homeland Security and the Social Security Administration. Similarly, the Systematic Alien Verification for Entitlements (SAVE) Program is an online service that allows federal, state and local benefit-granting agencies to verify a benefit applicant's immigration status or citizenship and is administered by the U.S. Department of Homeland Security. After hiring an employee, every employer in Arizona must verify the employment eligibility of the employee through the E-Verify program and must keep a record of the certification for the duration of the employee's employment, or at least three years, whichever is longer. An employer must also be registered with and participate in the E-Verify program in order to receive an economic development incentive ([A.R.S. § 23-214](#)).

Any unlawful immigrant must be fined and imprisoned for not more than six months, or for not more than two years for a subsequent offense involving: 1) entering or attempting to enter the United States at any time or place other than as designated by immigration officers; 2) eluding examination or inspection by immigration officers; or 3) attempting to enter or obtain entry to the United States by a willfully false or misleading representation or the willful concealment of a material fact ([8 U.S.C. § 1325](#)). Any unlawful immigrant who is physically present in the United States or who arrives in the United States, regardless of whether the unlawful immigrant enters through a designated port of arrival, and including an unlawful immigrant who is brought to the United States after having been interdicted in international or United States waters, may apply for asylum. In order to be granted asylum, the unlawful immigrant must demonstrate that they are a refugee as defined in federal statute, and that race, religion, nationality, membership in a particular social group or political opinion was or will be at least one central reason for persecuting the applicant ([8 U.S.C. § 1158](#)).

The federal Deferred Action for Childhood Arrivals (DACA) program allows qualified individuals without lawful immigration status to defer removal of the individual from the United States. Deferred action remains in effect for a period of two years, subject to renewal, and provides recipients with employment authorization. On July 16, 2021, the U.S. District Court for the Southern District of Texas issued a vacatur and a permanent injunction against the continued operation of the program, thereby enjoining the U.S. Department of Homeland Security from granting DACA status for new applicants ([U.S. Department of Homeland Security](#)).

A person is guilty of a class 2 felony if they knowingly transport a narcotic drug for sale. A class 2 felony for a non-dangerous offense carries a minimum sentence of 4 years, a presumptive sentence of 5 years and a maximum sentence of 10 years. A class 2 felony for a non-dangerous, repetitive offense carries a minimum sentence of 6 years, presumptive sentence of 9.25 years and a maximum sentence of 18.5 years (A.R.S. §§ [13-702](#); [13-703](#) and [13-3408](#)).

According to a Joint Legislative Budget Committee fiscal note issued for H.B. 2748, a bill with some similar provisions to those contained in the strike-everything amendment for H.C.R. 2060, there may be a number of different fiscal impacts to state and local revenues if this resolution is approved by the voters, the magnitude of which cannot be determined in advance ([JLBC](#)).

 - c) the defendant was approved for benefits under the DACA program between June 15, 2012, and July 8, 2021, unless the DACA program is cancelled or a federal court has issued a final order determining that the program is unlawful and any appeals of that order have been exhausted.

3. States that an unlawful immigrant lacks lawful presence in the unlawful immigrant was either:
 - a) paroled pursuant to a programmatic grant of parole, including under any parole program not created under notice-and-comment rulemaking under which an unlawful immigrant would be entitled to parole and that has been applied to more than 100 unlawful immigrants during one calendar year;
 - b) required to be detained under the Immigration and Nationality Act but was not detained and instead was paroled into the United States.
4. Classifies a violation of *illegal entry* as a class 1 misdemeanor, except that a violation is a class 6 felony if the person has previously been convicted of *illegal entry*.
5. Stipulates that a person convicted of *illegal entry* is not eligible for probation, pardon, commutation or suspension of sentence or release on any other basis until the person has served a term of incarceration as determined by the court.

Order to Return to a Foreign Nation

6. Allows a court, at any time before a person is convicted of or adjudicated for an *illegal entry* violation, to dismiss the charge pending against the person and issue an order to return to a foreign nation.
7. Stipulates that an order to return to a foreign nation discharges the person and requires the person to return to the foreign nation from which the person entered or attempted to enter the United States.
8. Allows an order to return to a foreign nation to be issued if:
 - a) the person agrees to the order;
 - b) the person has not previously been convicted of an *illegal entry* offense or previously obtained a discharge under an order;
 - c) the person is not charged with another class 1 misdemeanor or any felony offense; and

 - a) the person is charged with or convicted of an *illegal entry* offense;

 - c) the person refuses to comply with the order.
13. Classifies a violation of *refusal to comply with an order to return to a foreign nation* as a class 4 felony.
14. Requires the Director of the Arizona Department of Corrections, Rehabilitation and Reentry (ADCRR), notwithstanding any other law, to accept persons arrested for or convicted of an *illegal entry* offense at any state facility that has available capacity, if the county or local law enforcement agency does not have the capacity to incarcerate the person.

Enforcement of Illegal Entry

15. Prohibits the enforcement of provisions relating to *illegal entry* in any manner until any part of Section 2 of S.B. 4, 88th Legislature, 4th Called Session (2023) of the State of Texas, or any other law of any other state similar thereto, has been in effect for a period of 60 consecutive days at any time on or after the effective date of the *Secure the Border Act*.

22. Stipulates that the requirement for public benefit administering agencies to utilize the SAVE Program as outlined does not relieve a person of any requirement to submit documentation that is required for any federal, state or local public benefit.
23. Prohibits any natural person who is not lawfully present in the United States from knowingly submitting false information for documents to an employer to evade detection of employment eligibility under the E-Verify program.

 - a) the person knows that the drug being sold contains fentanyl; and

26. States that the penalty for *sale of lethal fentanyl* is a class 2 felony, except that the presumptive, minimum and maximum sentences must be increased by five years.
27. Establishes an affirmative defense to a charge of *sale of lethal fentanyl* if the fentanyl and its precursor chemicals were either manufactured in the United States or were lawfully imported into the United States.

29. Stipulates that any settlement of a lawsuit challenging the *Secure the Border Act* cannot be entered before service of a 21-day notice to the aforementioned entities, and that failure to comply with this requirement invalidates the settlement and constitutes an act of nonfeasance in public office.
