AMENDING SECTIONS 11-831 AND 32-2181, ARIZONA REVISED STATUTES; RELATING
TO REAL ESTATE.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Section 11-831, Arizona Revised Statutes, is amended to
3 read:

4 11-831. Review of land divisions; definitions

5 A. The board of supervisors of each county may adopt ordinances and
6 regulations pursuant to this section for staff review and approval of land
7 divisions of five or fewer lots, parcels or fractional interests, any of
8 which is ten acres or smaller in size. The county may not deny approval
9 of any land division that meets the requirements of this section. If a
10 review of the request is not completed within thirty days after receiving
11 the request, the land division is considered to be approved. At its
12 option, the board of supervisors may submit a ballot question to the
13 voters of the county to allow the voters to determine the application of
14 subsections B and C of this section to qualifying land divisions in that
15 county.

16 B. An application to split a parcel of land shall be approved if:

17 1. The lots, parcels or fractional interests each meet the minimum
18 applicable county zoning requirements of the applicable zoning
19 designation.

20 2. The applicant provides a standard preliminary title report or
21 other acceptable document that demonstrates legal access to the lots,
22 parcels or fractional interests.

23 3. The applicant provides a statement from a licensed surveyor or
24 engineer, or other evidence acceptable to the county, stating whether each
25 lot, parcel or fractional interest has physical access that is traversable
26 by a two-wheel drive passenger motor vehicle.

27 4. The applicant reserves the necessary and appropriate utility
28 easements to serve each lot, parcel or fractional interest created by the
29 land division.

30 5. The applicant signs an affidavit or similar document under oath
31 acknowledging the following:

32 (a) The applicant is aware that it is unlawful pursuant to
33 subsection F of this section and section 32-2181, subsection D for a
34 person or group of persons to attempt to avoid these sections or the
35 subdivision laws of this state by acting in concert to divide a parcel of
36 land into six or more lots or parcels.

37 (b) The applicant is aware that the county where the land division
38 occurred or the state real estate department may investigate and enforce
39 the prohibition against acting in concert to unlawfully divide a parcel of
40 land into six or more lots or parcels.

41 C. An application to split a parcel of land that does not comply
42 with one or more of the items listed in subsection B of this section shall
43 still be approved if the applicant provides an acknowledgment that is
44 signed by the applicant and that confirms that a building or use permit
45 will not be issued by the county until the lot, parcel or fractional

1 interest has met the requirements of subsection B of this section. The
2 county may grant a variance from one or more of the items listed in
3 subsection B of this section.

4 D. Any approval of a land division under this section may:

5 1. Include the minimum statutory requirements for legal and
6 physical on-site access that must be met as a condition to issuing a
7 building or use permit for the lots, parcels or fractional interests.

8 2. Identify topographic, hydrologic or other site constraints,
9 requirements or limitations that must be addressed as conditions to the
10 eventual issuance of a building or use permit. These constraints,
11 requirements or limitations may be as noted by the applicant or through
12 county staff review, but there shall be no requirement for independent
13 studies.

14 E. If the requirements of subsections A through D of this section
15 do not apply, a county may adopt ordinances and regulations pursuant to
16 this chapter for staff review of land divisions of five or fewer lots,
17 parcels or fractional interests but only to determine compliance with
18 minimum applicable county zoning requirements and legal access and may
19 grant waivers from the county zoning and legal access requirements. The
20 county may not deny approval of any land division that meets the
21 requirements of this section or if the deficiencies are noticed in the
22 deed. A county may not require a public hearing on a request to divide
23 five or fewer lots, parcels or fractional interests. If a review of the
24 request is not completed within thirty days after receipt of the request,
25 the land division shall be deemed approved. If legal access is not
26 available, the legal access does not allow access by emergency vehicles or
27 the county zoning requirements are not met, the access or zoning
28 deficiencies shall be noticed in the deed. If a county by ordinance
29 requires a legal access of more than twenty-four feet roadway width, the
30 county is responsible for the improvement and maintenance of the
31 improvement. If the legal access does not allow access to the lots,
32 parcels or fractional interests by emergency vehicles, neither the county
33 nor its agents or employees are liable for damages resulting from the
34 failure of emergency vehicles to reach the lot, parcel or fractional
35 interest.

36 F. It is unlawful for a person or group of persons acting in
37 concert to attempt to avoid this section or the subdivision laws of this
38 state by acting in concert to divide a parcel of land into six or more
39 lots or sell or lease six or more lots by using a series of owners or
40 conveyances. Either the county where the division occurred or the state
41 real estate department pursuant to title 32, chapter 20, but not both, may
42 enforce this prohibition. ~~A familial relationship~~ ANY OF THE FOLLOWING

6 G. For any subdivision that consists of ten or fewer lots, tracts
7 or parcels, each of which is of a size as prescribed by the board of
8 supervisors, the board of supervisors of each county may waive the
9 requirement to prepare, submit and receive approval of a preliminary plat
10 as a condition precedent to submitting a final plat and may waive or
11 reduce infrastructure standards or requirements except for improved
12 dust-controlled access and minimum drainage improvements.

31 paragraph does not allow circumvention of the requirements of this
32 article.

33 3. The lots, parcels or fractional interests are created by a valid
34 order or decree of a court pursuant to and through compliance with title
35 12, chapter 8, article 7 or by operation of law. This paragraph does not
36 allow circumvention of the requirements of this article.

42 securities under the laws of the United States or the laws of this state
43 or are exempt transactions under section 44-1844, 44-1845 or 44-1846.

44 6. The commissioner by special order exempts offerings or

1 with this article on written petition and on a showing satisfactory to the
2 commissioner that compliance is not essential to the public interest or
3 for the protection of buyers.

4 7. A sale or lease of a lot, parcel or fractional interest occurs

8 unless, ~~upon~~ ON investigation by the commissioner, there is evidence of
9 intent to subdivide.

10 F. In areas outside of active management areas established pursuant
11 to title 45, chapter 2, article 2:

12 1. If the subdivision is located in a county that has adopted the
13 provision authorized by section 11-823, subsection A, or in a city or town
14 that has enacted an ordinance pursuant to section 9-463.01, subsection O,
15 the subdivider shall accompany the notice with a report issued by the
16 director of water resources pursuant to section 45-108 stating that the
17 subdivision has an adequate water supply, unless one of the following
18 applies:

29 granted by the director of water resources under section 45-108.02 and the
30 exemption has not expired or pursuant to an exemption granted by the
31 director under section 45-108.03. If the plat was approved pursuant to an
32 authorized exemption, the state real estate commissioner shall require
33 that all promotional material and contracts for the sale of lots in the
34 subdivision adequately display the following:

36 brief summary of the report as approved by the commissioner on the
37 proposed water supply for the subdivision.

38 (ii) A statement describing the exemption under which the
39 subdivision was approved, including the specific conditions of the
40 exemption that were met. If the plat was approved by the legislative body
41 of a city or town pursuant to an exemption authorized by section 9-463.01,
42 subsection K or by the board of supervisors of a county pursuant to an
43 exemption authorized by section 11-823, subsection B, paragraph 1, the
44 subdivider shall record the document required by section 33-406.

1 (d) The subdivision received final plat approval from the city,
2 town or county before the requirement for an adequate water supply became
3 effective in the city, town or county, and there have been no material
4 changes to the plat since the final plat approval. If changes were made
5 to the plat after the final plat approval, the director of water resources
6 shall determine whether the changes are material pursuant to the rules
7 adopted by the director to implement section 45-108. If this subdivision
8 applies, the state real estate commissioner shall require that all
9 promotional materials and contracts for the sale of lots in the
10 subdivision adequately display the director of water resources' report or
11 the developer's brief summary of the report as approved by the
12 commissioner on the proposed water supply for the subdivision.

13 2. If the subdivision is not located in a county that has adopted
14 the provision authorized by section 11-823, subsection A or in a city or
15 town that has enacted an ordinance pursuant to section 9-463.01,
16 subsection 0, and if the director of water resources, pursuant to section
17 45-108, reports an inadequate on-site supply of water to meet the needs
18 projected by the developer or if no water is available, the state real
19 estate commissioner shall require that all promotional material and
20 contracts for the sale of lots in subdivisions approved by the
21 commissioner adequately display the director of water resources' report or
22 the developer's brief summary of the report as approved by the
23 commissioner on the proposed water supply for the subdivision.

24 G. The commissioner may require the subdivider to supplement the
25 notice of intention to subdivide lands and may require the filing of
26 periodic reports to update the information contained in the original
27 notice of intention to subdivide lands.

28 H. The commissioner may authorize the subdivider to file as the
29 notice of intention to subdivide lands, in lieu of some or all of the
30 requirements of subsection A of this section, a copy of the statement of

4 one that is limited to the residency of adults or senior citizens shall
5 include the promises in the deed restrictions affecting any interest in
6 real property within the subdivided lands.

7 K. Except as otherwise provided in this section, a subdivider ~~shall~~
