7 A. The board on its own motion, or the investigation committee if

9 show the existence of any of the causes or grounds for disciplinary action
10 as provided in section 32-1263. The board or investigation committee may
11 investigate any complaint that alleges the existence of any of the causes
12 or grounds for disciplinary action as provided in section 32-1263. The
13 board shall not act on its own motion or on a complaint received by the
14 board if the allegation of unprofessional conduct, unethical conduct or
15 any other violation of this chapter against a licensee occurred more than
16 four years before the complaint is received by the board. The four-year
17 time limitation does not apply to:

18 1. Medical malpractice settlements or judgments, allegations of
19 sexual misconduct or an incident or occurrence that involved a felony,
20 diversion of a controlled substance or impairment while practicing by the
21 licensee.

22 2. The board's consideration of the specific unprofessional conduct
23 related to the licensee's failure to disclose conduct or a violation as
24 required by law.

25 B. At the request of the complainant, the board or investigation
26 committee shall not disclose to the respondent the complainant name unless
27 the information is essential to proceedings conducted pursuant to this
28 article.

29 C. The board or investigation committee shall conduct necessary
30 investigations, including interviews between **THE INVESTIGATION COMMITTEE**
31 **OR** representatives of the board ~~or investigation committee~~ and the
32 licensee with respect to any information obtained by or filed with the
33 board under subsection A of this section or obtained by the board or
34 investigation committee during the course of an investigation. The
35 results of the investigation conducted by the investigation committee,
36 including any recommendations from the investigation committee for
37 disciplinary action against any licensee, shall be forwarded to the board
38 for its review.

39 D. The board or investigation committee may designate one or more
40 persons of appropriate competence to assist the board or investigation
41 committee with any aspect of an investigation.

42 E. If, based on the information the board receives under subsection
43 A or C of this section, the board finds that the public health, safety or
44 welfare imperatively requires emergency action and incorporates a finding
45 to that effect in its order, the board may order a summary suspension of a

1 licensee's license pursuant to section 41-1092.11 pending proceedings for
2 revocation or other action.

3 F. If a complaint refers to quality of care, the patient may be
4 referred for a clinical evaluation at the discretion of the board or the
5 investigation committee.

6 G. If, after completing its investigation or review pursuant to

17 4. Assess a nondisciplinary civil penalty in an amount not to
18 exceed \$500 if the complaint involves the licensee's failure to respond to
19 a board subpoena.

20 H. If, after completing its investigation or review pursuant to
21 this section, the board finds that the information provided pursuant to
22 subsection A or C of this section is sufficient to merit disciplinary
23 action against a licensee, the board may request that the licensee
24 participate in a formal interview before the board. If the licensee
25 refuses or accepts the invitation for a formal interview and the results
26 indicate that grounds may exist for revocation or suspension, the board
27 shall issue a formal complaint and order that a **FORMAL** hearing be held
28 pursuant to title 41, chapter 6, article 10. If, after completing a
29 formal interview, the board finds that the protection of the public
30 requires emergency action, it may order a summary suspension of the
31 license pursuant to section 41-1092.11 pending formal revocation
32 proceedings or other action authorized by this section.

33 **I. IF, AFTER COMPLETING ITS INVESTIGATION OR REVIEW PURSUANT TO**
