 28 services and employee-related expenditures savings from the operating
 29 budget to the private prison per diem line item for private prison staff
 30 stipends. The amount of any private prison staff stipend may not exceed

20 the department is not in substantial compliance.
- 21 2. An explanation for each instance of noncompliance.
- 22 3. The department's plan to comply with the performance measures.

23 On or before August 1, 2024, the state department of corrections
24 shall transfer to the public safety personnel retirement system via the
25 department of administration its estimated required annual contribution to
26 the corrections officer retirement plan for fiscal year 2024-2025.

27 The department shall report actual fiscal year 2023-2024, estimated
28 fiscal year 2024-2025 and requested fiscal year 2025-2026 expenditures as
29 delineated in the prior year when the department submits its fiscal year
30 2025-2026 budget request pursuant to section 35-113, Arizona Revised
31 Statutes.

32 The department shall use the amount appropriated in the private
33 prison per diem line item to pay private prison contractors for housing
34 and providing medical care to Arizona inmates. Before spending these
35 monies for any other purpose, the department shall submit an expenditure
36 plan for review by the joint legislative budget committee.
