20           "Sec. 9. Findings  
21           The People of the State of Arizona find and declare as follows:  
22           1. Judicial retention elections in the State of Arizona are  
23       simultaneously too infrequent, because judges whose conduct proves  
24       unsuitable for judicial office may serve for years before next standing for  
25       retention; and too frequent, because judges whose conduct is objectively

1       satisfactory stand for retention regardless of their good behavior and  
2       performance.

3           2. The voters of the State of Arizona have exercised the right not  
4       to retain a judge in 0.3% of judicial retention elections to date,  
5       indicating both general satisfaction with judicial performance in the state  
6       and an ongoing public interest in electoral accountability for the judicial  
7       branch.

8           3. The number of judicial retention elections appearing on the  
9       ballot unduly increases the financial cost of elections, the length and  
10      complexity of ballots, and the complexity and duration of vote tabulation.

11          4. The voters of the State of Arizona will be able to research  
12      judicial performance more efficiently, and persons who are not well suited  
13      for judicial office will be unable to "hide in a crowd" of peers, when  
14      retention elections feature only judicial officers whose conduct falls  
15      below objective standards.

16          5. It is appropriate to amend the process of judicial retention  
17      elections to ensure accountability for the judicial officers of this State  
18      and to increase the efficiency of our elections."

19      Renumber to conform

20      Page 9, line 18, strike "Retroactivity" insert "Effective dates"

21      Line 23, after the period, insert "This act shall expire on, and be of no  
22      further effect after, December 31, 2034."

23      Between lines 23 and 24, insert:

24           "Sec. 11. Short title

25           This act shall be titled the "Judicial Accountability Act of 2024"."

26      Amend title to conform
