

PROPOSED

SENTAE AMENDMENT TO H.B. 2091

(Reference to House engrossed bill)

1 Strike everything after the enacting clause and insert:

2 "Section 1. Certificate of assured water supply;
3 review; delayed repeal

4 A. On request of an eligible applicant, the department of
5 water resources shall review the merits of an application for a
6 certificate of assured water supply and shall issue a new written
7 determination of action within fifteen days if all of the following
8 apply:

9 1. The application is for a certificate of assured water
10 supply in the Phoenix active management area.

11 2. The application was submitted on or after January 26, 2021
12 and on or before May 31, 2023.

13 3. The applicant has not received a certificate of assured
14 water supply, or the application has been denied as of the effective
15 date of this section.

16 B. The department shall review the determination to grant a
17 certificate using either the 2006-2009 Salt River valley regional
18 model or the 2006 Lower Hassayampa Sub-basin groundwater flow model
19 and any financial information submitted by the applicant.

20 C. Within five days after the effective date of this section,
21 the department shall notify all eligible applicants of the ability
22 to have their determinations of assured water supply reviewed.

23 D. Eligible applicants shall request that the department
24 review their applications within ninety days after the effective
25 date of this section.

26 E. This section is repealed from and after December 31, 2025.

27 Sec. 2. Emergency

28 This act is an emergency measure that is necessary to preserve
29 the public peace, health or safety and is operative immediately as
30 provided by law."
