6 contribution payments; exception; definitions

7 A. Notwithstanding section 38-766.01, subsection ~~E~~ F, beginning
8 July 1, 2012, an employer shall pay contributions at an alternate
9 contribution rate on behalf of a retired member who returns to work with
10 an ASRS employer in any capacity in a position ordinarily filled by an
11 employee of the employer or in a position that is similar in duties and
12 responsibilities to that of a position ordinarily filled by an employee of
13 the employer. This subsection applies to a retired member who has reached
14 a normal retirement age or a retired member who retired under section
15 38-758 if the retired member's retirement benefit has not been suspended
16 pursuant to section 38-766.

17 B. The ASRS actuary shall determine the alternate contribution rate
18 in an annual valuation performed as of June 30. For the fiscal year
19 beginning on July 1 of the following calendar year, the valuation shall
20 determine the percentage to be applied to the compensation, gross salary
21 or contract fee of a retired member who meets the requirements of this
22 section.

23 C. The alternate contribution rate shall not be less than two
24 percent in any fiscal year. The alternate contribution rate is equal to
25 the lesser of:

26 1. The employer contribution rate established by the ASRS actuary
27 pursuant to section 38-737 plus the employer contribution rate established
28 by the ASRS actuary pursuant to section 38-797.06.

30 the ASRS actuary pursuant to section 38-737 plus the total past service
31 funding requirement rate established by the ASRS actuary pursuant to
32 section 38-797.06.

33 D. ASRS shall determine the schedule and method of payment of the
34 alternate contribution rate. Subject to section 38-738, subsection A, all
35 contributions made by the employer and allocated to the fund established
36 by section 38-712 are irrevocable and shall be used as benefits under this
37 article or to pay the expenses of ASRS. Payments made pursuant to this
38 section by employers become delinquent after the due date prescribed in
39 the board's rules and thereafter shall be increased by interest from and
40 after that date until payment is received by ASRS. ASRS shall charge
41 interest on the delinquent payments as prescribed in section 38-711. ASRS
42 may recover delinquent payments due under this section, together with
43 interest charges as provided in this section, by action in a court of
44 competent jurisdiction against an employer liable for payments or, at the

2 payable to the employer by any department or agency of this state.

3 E. An employer of a retired member shall submit any reports, data,
4 paperwork or materials that are requested by ASRS and that are necessary
5 to determine the compensation, gross salary or contract fee associated
6 with a retired member who returns to work or to determine the function,
7 utilization, efficacy or operation of the return to work program.

8 F. An employer is not required to pay contributions at an alternate
9 contribution rate on behalf of a retired member under subsection A of this
10 section if the retired member returns to work with the employer in a
11 position that is currently filled by an employee of the employer who is an
12 active member and for which the employer is currently required to pay and
13 is paying contributions on behalf of the active member in that same
14 position pursuant to sections 38-736 and 38-737. An employer may pay
15 contributions at an alternate contribution rate for a retired member who
16 meets the requirements for an exemption under this subsection.

17 G. For contributions made pursuant to subsection F of this section
18 beginning July 1, 2019, if ASRS and the employer determine that the
19 alternate contribution rate does not apply to a retired member who returns
20 to work for whom the employer has paid contributions at the alternate
21 contribution rate, the employer may request an employer credit, not
22 including interest, for those contributions within ninety days after the
23 end of the fiscal year in which the contributions were paid. If ASRS
24 determines that an employer credit is not feasible, ASRS shall issue a
25 refund to an employer in a form determined by ASRS.

26 H. For the purposes of this section:

27 1. "Contract fee" means the gross amount paid to a retired member
28 as an independent contractor minus an amount, not to exceed ten percent,
29 for an administrative fee.

30 2. "Gross salary" means the gross amount paid to a retired member
31 by a leasing company as salary or wages, including amounts that are
32 subject to deferred compensation or tax shelter agreements, for services
33 rendered or that would have been paid to the retired member except for the
34 member's election or a legal requirement that all or part of the gross
35 amount be used for other purposes.
